18 read as follows:

19 Without limiting the other provisions of this chapter, the
20 following specific rights and prohibitions shall govern the relation
21 between the motor fuel refiner-supplier and the motor fuel retailers:

- 22 (1) The parties shall deal with each other in good faith.
- 23 (2) For the purposes of this chapter and without limiting its
24 general application, it shall be an unfair or deceptive act or practice
25 or an unfair method of competition and therefore unlawful and a
26 violation of this chapter for any person to:

27 (a) Require a motor fuel retailer to purchase or lease goods or
28 services of the motor fuel refiner-supplier or from approved sources of
29 supply unless and to the extent that the motor fuel refiner-supplier
30 satisfies the burden of proving that such restrictive purchasing
31 agreements are reasonably necessary for a lawful purpose justified on
32 business grounds, and do not substantially affect competition:
33 PROVIDED, That this provision shall not apply to the initial inventory
34 of the motor fuel franchise. In determining whether a requirement to
35 purchase or lease goods or services constitutes an unfair or deceptive
36 act or practice or an unfair method of competition the courts shall be

1 guided by the decisions of the courts of the United States interpreting
2 and applying the anti-trust laws of the United States.

3 (b) Discriminate between motor fuel retailers in the charges
4 offered or made for royalties, goods, services, equipment, rentals,
5 advertising services, or in any other business dealing, unless and to
6 the extent that the motor fuel refiner-supplier satisfies the burden of
7 proving that any classification of or discrimination between motor fuel
8 retailers is reasonable, is based on motor fuel franchises granted at
9 materially different times and such discrimination is reasonably
10 related to such difference in time or on other proper and justifiable
11 distinctions considering the purposes of this chapter, and is not
12 arbitrary.

13 (c) Sell, rent, or offer to sell to a motor fuel retailer any
14 product or service for more than a fair and reasonable price.

15 (d) Require a motor fuel retailer to assent to a release,
16 assignment, novation, or waiver which would relieve any person from
17 liability imposed by this chapter.

18 (e) Prohibit or in any way prevent a motor fuel retailer from
19 offering and selling, consistent with all other applicable federal or
20 state laws, any nonhazardous motor fuel for use in self-propelled motor
21 vehicles.

22 (f) Discriminate between motor fuel retailers based on a motor fuel
23 retailer's decision to offer and sell, consistent with all other
24 applicable federal or state laws, any nonhazardous motor fuel for use
25 in self-propelled motor vehicles.

26 (g) In addition to other remedies available under this chapter,
27 violations of (e) or (f) of this subsection shall be subject to a civil
28 penalty of not less than five thousand dollars.

29 NEW SECTION. Sec. 3. This act applies prospectively only and not
30 retroactively. Nothing in this section shall be construed to
31 invalidate actions taken by motor fuel refiner-suppliers and motor fuel
32 retailers prior to the effective date of this section.
