27 (b) Beginning on July 1, 1993, compensation under this subsection  
28 shall be computed as follows:

29 (i) Beginning on July 1, 1993, the compensation amounts for the  
30 specified disabilities listed in (a) of this subsection shall be  
31 increased by thirty-two percent; and

32 (ii) Beginning on July 1, 1994, and each July 1 thereafter, the  
33 compensation amounts for the specified disabilities listed in (a) of  
34 this subsection, as adjusted under (b)(i) of this subsection, shall be  
35 readjusted to reflect the percentage change in the consumer price  
36 index, calculated as follows: The index for the calendar year  
37 preceding the year in which the July calculation is made, to be known

1 as "calendar year A," is divided by the index for the calendar year  
2 preceding calendar year A, and the resulting ratio is multiplied by the  
3 compensation amount in effect on June 30 immediately preceding the July  
4 1st on which the respective calculation is made. For the purposes of  
5 this subsection, "index" means the same as the definition in RCW  
6 2.12.037(1).

7 (2) Compensation for amputation of a member or part thereof at a  
8 site other than those specified in subsection (1) of this section, and  
9 for loss of central visual acuity and loss of hearing other than  
10 complete, shall be in proportion to that which such other amputation or  
11 partial loss of visual acuity or hearing most closely resembles and  
12 approximates. Compensation shall be calculated based on the adjusted  
13 schedule of compensation in effect for the respective time period as  
14 prescribed in subsection (1) of this section.

15 (3)(a) Compensation for any other permanent partial disability not  
16 involving amputation shall be in the proportion which the extent of  
17 such other disability, called unspecified disability, shall bear to the  
18 disabilities specified in subsection (1) of this section, which most  
19 closely resembles and approximates in degree of disability such other  
20 disability, and compensation for any other unspecified permanent  
21 partial disability shall be in an amount as measured and compared to  
22 total bodily impairment. To reduce litigation and establish more  
23 certainty and uniformity in the rating of unspecified permanent partial  
24 disabilities, the department shall enact rules having the force of law  
25 classifying such disabilities in the proportion which the department  
26 shall determine such disabilities reasonably bear to total bodily  
27 impairment. In enacting such rules, the department shall give  
28 consideration to, but need not necessarily adopt, any nationally  
29 recognized medical standards or guides for determining various bodily  
30 impairments.

31 (b) Until July 1, 1993, for purposes of calculating monetary  
32 benefits under (a) of this subsection, the amount payable for total  
33 bodily impairment shall be deemed to be ninety thousand dollars.  
34 Beginning on July 1, 1993, for purposes of calculating monetary  
35 benefits under (a) of this subsection, the amount payable for total  
36 bodily impairment shall be adjusted as follows:

37 (i) Beginning on July 1, 1993, the amount payable for total bodily

1 impairment under this section shall be increased to one hundred  
2 eighteen thousand eight hundred dollars; and

3 (ii) Beginning on July 1, 1994, and each July 1 thereafter, the  
4 amount payable for total bodily impairment prescribed in (b)(i) of this  
5 subsection shall be adjusted as provided in subsection (1)(b)(ii) of  
6 this section.

7 (c) Until July 1, 1993, the total compensation for all unspecified  
8 permanent partial disabilities resulting from the same injury shall not  
9 exceed the sum of ninety thousand dollars. Beginning on July 1, 1993,  
10 total compensation for all unspecified permanent partial disabilities  
11 resulting from the same injury shall not exceed a sum calculated as  
12 follows:

13 (i) Beginning on July 1, 1993, the sum shall be increased to one  
14 hundred eighteen thousand eight hundred dollars; and

15 (ii) Beginning on July 1, 1994, and each July 1 thereafter, the sum  
16 prescribed in (b)(i) of this subsection shall be adjusted as provided  
17 in subsection (1)(b)(ii) of this section.

18 (4) If permanent partial disability compensation is followed by  
19 permanent total disability compensation, any portion of the permanent  
20 partial disability compensation which exceeds the amount that would  
21 have been paid the injured worker if permanent total disability  
22 compensation had been paid in the first instance(( $\tau$ )) shall be deemed  
23 an overpayment. Such amount shall at the choosing of the claimant  
24 either: (a) Be deducted from the worker's monthly pension benefits in  
25 an amount not to exceed twenty-five percent of the monthly amount due  
26 from the department or self-insurer or one-sixth of the total  
27 overpayment, whichever is less; or (b) be deducted from the pension  
28 reserve of such injured worker and his or her monthly compensation  
29 payments shall be reduced accordingly.

30 (5) Should a worker receive an injury to a member or part of his or  
31 her body already, from whatever cause, permanently partially disabled,  
32 resulting in the amputation thereof or in an aggravation or increase in  
33 such permanent partial disability but not resulting in the permanent  
34 total disability of such worker, his or her compensation for such  
35 partial disability shall be adjudged with regard to the previous  
36 disability of the injured member or part and the degree or extent of  
37 the aggravation or increase of disability thereof.

1 (6) When the compensation provided for in subsections (1) through  
2 (3) of this section exceeds three times the average monthly wage in the  
3 state as computed under the provisions of RCW 51.08.018, payment shall  
4 be made in monthly payments in accordance with the schedule of  
5 temporary total disability payments set forth in RCW 51.32.090 until  
6 such compensation is paid to the injured worker in full, except that  
7 the first monthly payment shall be in an amount equal to three times  
8 the average monthly wage in the state as computed under the provisions  
9 of RCW 51.08.018, and interest shall be paid at the rate of eight  
10 percent on the unpaid balance of such compensation commencing with the  
11 second monthly payment. However, upon application of the injured  
12 worker or survivor the monthly payment may be converted, in whole or in  
13 part, into a lump sum payment, in which event the monthly payment shall  
14 cease in whole or in part. Such conversion may be made only upon  
15 written application of the injured worker or survivor to the department  
16 and shall rest in the discretion of the department depending upon the  
17 merits of each individual application. Upon the death of a worker all  
18 unpaid installments accrued shall be paid according to the payment  
19 schedule established prior to the death of the worker to the widow or  
20 widower, or if there is no widow or widower surviving, to the dependent  
21 children of such claimant, and if there are no such dependent children,  
22 then to such other dependents as defined by this title.

23 (7) Awards payable under this section are governed by the schedule  
24 in effect on the date of injury.

25 NEW SECTION. **Sec. 2.** This act is necessary for the immediate  
26 preservation of the public peace, health, or safety, or support of the  
27 state government and its existing public institutions, and takes effect  
28 July 1, 2007, and applies to claims filed on or after July 2, 2007.
