
ENGROSSED SUBSTITUTE HOUSE BILL 2292

State of Washington

60th Legislature

2007 Regular Session

By House Committee on Local Government (originally sponsored by Representatives Simpson and Ormsby)

READ FIRST TIME 2/28/07.

1 AN ACT Relating to private residential fire sprinklers; and
2 creating a new section.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** (1)(a) The state building code council shall
5 form a technical advisory group to research and review policies and
6 procedures for residential fire sprinklers.

7 (b) The purpose of the study is to research obstacles and barriers
8 to the installation of residential fire sprinkler systems.

9 (2) The technical advisory group must consist of:

10 (a) Representatives from: A city association, a county
11 association, the association of building officials, an association of
12 special purpose water-sewer districts, and a public utility district
13 association;

14 (b) A fire chief, a state licensed residential fire sprinkler
15 contractor, an architect, and a residential builder; and

16 (c) Any other representative deemed necessary to develop the model
17 policy.

18 (3) The state building code council shall report the findings of

1 the technical advisory group to the appropriate committees of the
2 legislature by January 15, 2008.
