
HOUSE BILL 2292

State of Washington 60th Legislature 2007 Regular Session

By Representatives Simpson and Ormsby

Read first time 02/19/2007. Referred to Committee on Local Government.

1 AN ACT Relating to private residential fire sprinklers; and
2 creating a new section.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** (1)(a) The state building code council shall
5 form a technical advisory group to research and review policies and
6 procedures for residential fire sprinklers.

7 (b) The purpose of the study is the eventual development of a model
8 building code policy for residential fire sprinkler installation and
9 services.

10 (2) The technical advisory group must consist of:

11 (a) Representatives from: A city association, a county
12 association, the association of building officials, and a public
13 utility district association;

14 (b) A fire chief, a state licensed residential fire sprinkler
15 contractor, and an architect; and

16 (c) Any other representative deemed necessary to develop the model
17 policy.

18 (3) The state building code council shall report the findings of

1 the technical advisory group to the appropriate committees of the
2 legislature by January 15, 2008.
