9 (2) The agency head shall determine the amount of leave, if any,
10 which an employee may receive under this section. However, an employee
11 shall not receive a total of more than two hundred sixty-one days of
12 leave, except that shared leave received under the uniformed service
13 shared leave pool in RCW 41.04.685 is not included in this total.

17 than ten days may request that the head of the agency for which the

19 employee authorized to receive leave under subsection (1) of this
20 section. In no event may the employee request a transfer of an amount
21 of leave that would result in his or her annual leave account going
22 below ten days. For purposes of this subsection (3)(a), annual leave
23 does not accrue if the employee receives compensation in lieu of
24 accumulating a balance of annual leave.

25 (b) An employee may transfer a specified amount of sick leave to an

37 28B.10.016, school district, or educational service district who does
38 not accrue annual leave but does accrue sick leave and who has an

1 accrued sick leave balance of more than twenty-two days may request
2 that the head of the agency for which the employee works transfer a
3 specified amount of sick leave to another employee authorized to
4 receive leave under subsection (1) of this section. In no event may
5 such an employee request a transfer that would result in his or her
6 sick leave account going below twenty-two days. Transfers of sick
7 leave under this subsection are limited to transfers from employees who
8 do not accrue annual leave. Under this subsection, "sick leave" also
9 includes leave accrued pursuant to RCW 28A.400.300(2) or 28A.310.240(1)
10 with compensation for illness, injury, and emergencies.

11 (5) Transfers of leave made by an agency head under subsections (3)
12 and (4) of this section shall not exceed the requested amount.

13 (6) Leave transferred under this section may be transferred from
14 employees of one agency to an employee of the same agency or, with the
15 approval of the heads of both agencies, to an employee of another state
16 agency. However, leave transferred to or from employees of school
17 districts or educational service districts is limited to transfers to
18 or from employees within the same employing district.

19 (7) While an employee is on leave transferred under this section,
20 he or she shall continue to be classified as a state employee and shall
21 receive the same treatment in respect to salary, wages, and employee
22 benefits as the employee would normally receive if using accrued annual
23 leave or sick leave.

24 (a) All salary and wage payments made to employees while on leave
25 transferred under this section shall be made by the agency employing
26 the person receiving the leave. The value of leave transferred shall
27 be based upon the leave value of the person receiving the leave.

28 (b) In the case of leave transferred by an employee of one agency
29 to an employee of another agency, the agencies involved shall arrange
30 for the transfer of funds and credit for the appropriate value of
31 leave.

32 (i) Pursuant to rules adopted by the office of financial
33 management, funds shall not be transferred under this section if the
34 transfer would violate any constitutional or statutory restrictions on
35 the funds being transferred.

36 (ii) The office of financial management may adjust the
37 appropriation authority of an agency receiving funds under this section

1 only if and to the extent that the agency's existing appropriation
2 authority would prevent it from expending the funds received.

3 (iii) Where any questions arise in the transfer of funds or the
4 adjustment of appropriation authority, the director of financial
5 management shall determine the appropriate transfer or adjustment.

6 (8) Leave transferred under this section shall not be used in any
7 calculation to determine an agency's allocation of full time equivalent
8 staff positions.

9 (9) The value of any leave transferred under this section which
10 remains unused shall be returned at its original value to the employee
11 or employees who transferred the leave when the agency head finds that
12 the leave is no longer needed or will not be needed at a future time in
13 connection with the illness or injury for which the leave was
14 transferred or for any other qualifying condition. Before the agency
15 head makes a determination to return unused leave in connection with an
16 illness or injury, or any other qualifying condition, he or she must
17 receive from the affected employee a statement from the employee's
18 doctor verifying that the illness or injury is resolved. To the extent
19 administratively feasible, the value of unused leave which was
20 transferred by more than one employee shall be returned on a pro rata
21 basis.

22 (10) An employee who uses leave that is transferred to him or her
23 under this section may not be required to repay the value of the leave
24 that he or she used.
