19 individual or employing unit in deciding whether the requesting agency
20 needs the information or records for official purposes.

21 (2) The requirements of subsections (1) and (9) of this section
22 shall not apply to the state legislative branch. The state legislature
23 shall have access to information or records deemed private and
24 confidential under this chapter, if the legislature or a legislative
25 committee finds that the information or records are necessary and for
26 official purposes. If the employment security department does not make
27 information or records available as provided in this subsection, the
28 legislature may exercise its authority granted by chapter 44.16 RCW.

29 (3) In cases of emergency the governmental agency requesting access
30 shall not be required to formally comply with the provisions of
31 subsection (1) of this section at the time of the request if the
32 procedures required by subsection (1) of this section are complied with
33 by the requesting agency following the receipt of any records or
34 information deemed private and confidential under this chapter. An
35 emergency is defined as a situation in which irreparable harm or damage
36 could occur if records or information are not released immediately.

37 (4) The requirements of subsection (1)(c) of this section shall not
38 apply to governmental agencies where the procedures would frustrate the

1 investigation of possible violations of criminal laws or to the release
2 of employing unit names, addresses, number of employees, and aggregate
3 employer wage data for the purpose of state governmental agencies
4 preparing small business economic impact statements under chapter 19.85
5 RCW or preparing cost-benefit analyses under RCW 34.05.328(1) (c) and

10 subject to the sanctions in RCW 50.13.080.

11 (5) Governmental agencies shall have access to certain records or
12 information, limited to such items as names, addresses, social security
13 numbers, and general information about benefit entitlement or employer
14 information possessed by the department, for comparison purposes with
15 records or information possessed by the requesting agency to detect
16 improper or fraudulent claims, or to determine potential tax liability
17 or employer compliance with registration and licensing requirements.
18 In those cases the governmental agency shall not be required to comply
19 with subsection (1)(c) of this section, but the requirements of the
20 remainder of subsection (1) of this section must be satisfied.

22 information, limited to employer information possessed by the
23 department for purposes authorized in chapter 50.38 RCW. Access to
24 these records and information is limited to only those individuals
25 conducting authorized statistical analysis, research, and evaluation
26 studies. Only in cases consistent with the purposes of chapter 50.38
27 RCW are government agencies not required to comply with subsection
28 (1)(c) of this section, but the requirements of the remainder of
29 subsection (1) of this section must be satisfied. Information provided
30 by the department and held to be private and confidential under state
31 or federal laws shall not be misused or released to unauthorized
32 parties subject to the sanctions in RCW 50.13.080.

33 (7) Disclosure to governmental agencies of information or records
34 obtained by the employment security department from the federal
35 government shall be governed by any applicable federal law or any
36 agreement between the federal government and the employment security
37 department where so required by federal law. When federal law does not
38 apply to the records or information state law shall control.

1 (8) The department may provide information for purposes of
2 statistical analysis and evaluation of the WorkFirst program or any
3 successor state welfare program to the department of social and health
4 services, the office of financial management, and other governmental
5 entities with oversight or evaluation responsibilities for the program
6 in accordance with RCW 43.20A.080. The confidential information
7 provided by the department shall remain the property of the department
8 and may be used by the authorized requesting agencies only for
9 statistical analysis, research, and evaluation purposes as provided in
10 RCW 74.08A.410 and 74.08A.420. The department of social and health
11 services, the office of financial management, or other governmental
12 entities with oversight or evaluation responsibilities for the program
13 are not required to comply with subsection (1)(c) of this section, but
14 the requirements of the remainder of subsection (1) of this section and
15 applicable federal laws and regulations must be satisfied. The
16 confidential information used for evaluation and analysis of welfare
17 reform supplied to the authorized requesting entities with regard to
18 the WorkFirst program or any successor state welfare program are exempt
19 from public inspection and copying under chapter 42.56 RCW.

20 (9) The disclosure of any records or information by a governmental
21 agency which has obtained the records or information under this section
22 is prohibited unless the disclosure is (a) directly connected to the
23 official purpose for which the records or information were obtained or
24 (b) to another governmental agency which would be permitted to obtain
25 the records or information under subsection (4) or (5) of this section.

26 (10) In conducting periodic salary or fringe benefit studies
27 pursuant to law, the department of personnel shall have access to
28 records of the employment security department as may be required for
29 such studies. For such purposes, the requirements of subsection (1)(c)
30 of this section need not apply.

31 (11)(a) To promote the reemployment of job seekers, the
32 commissioner may enter into data-sharing contracts with partners of the
33 one-stop career development system. The contracts shall provide for
34 the transfer of data only to the extent that the transfer is necessary
35 for the efficient provisions of workforce programs, including but not
36 limited to public labor exchange, unemployment insurance, worker
37 training and retraining, vocational rehabilitation, vocational

1 education, adult education, transition from public assistance, and
2 support services. The transfer of information under contracts with
3 one-stop partners is exempt from subsection (1)(c) of this section.

4 (b) An individual who applies for services from the department and
5 whose information will be shared under (a) of this subsection (11) must
6 be notified that his or her private and confidential information in the
7 department's records will be shared among the one-stop partners to
8 facilitate the delivery of one-stop services to the individual. The
9 notice must advise the individual that he or she may request that
10 private and confidential information not be shared among the one-stop
11 partners and the department must honor the request. In addition, the
12 notice must:

13 (i) Advise the individual that if he or she requests that private
14 and confidential information not be shared among one-stop partners, the
15 request will in no way affect eligibility for services;

16 (ii) Describe the nature of the information to be shared, the
17 general use of the information by one-stop partner representatives, and
18 among whom the information will be shared;

19 (iii) Inform the individual that shared information will be used
20 only for the purpose of delivering one-stop services and that further
21 disclosure of the information is prohibited under contract and is not
22 subject to disclosure under chapter 42.56 RCW; and

23 (iv) Be provided in English and an alternative language selected by
24 the one-stop center or job service center as appropriate for the
25 community where the center is located.

26 If the notice is provided in-person, the individual who does not
27 want private and confidential information shared among the one-stop
28 partners must immediately advise the one-stop partner representative of
29 that decision. The notice must be provided to an individual who
30 applies for services telephonically, electronically, or by mail, in a
31 suitable format and within a reasonable time after applying for
32 services, which shall be no later than ten working days from the
33 department's receipt of the application for services. A one-stop
34 representative must be available to answer specific questions regarding
35 the nature, extent, and purpose for which the information may be
36 shared.

37 (12) To facilitate improved operation and evaluation of state
38 programs, the commissioner may enter into data-sharing contracts with

1 other state agencies only to the extent that such transfer is necessary
2 for the efficient operation or evaluation of outcomes for those
3 programs. The transfer of information by contract under this
4 subsection is exempt from subsection (1)(c) of this section.

5 (13) The misuse or unauthorized release of records or information
6 by any person or organization to which access is permitted by this
7 chapter subjects the person or organization to a civil penalty of five
8 thousand dollars and other applicable sanctions under state and federal
9 law. Suit to enforce this section shall be brought by the attorney
10 general and the amount of any penalties collected shall be paid into
11 the employment security department administrative contingency fund.
12 The attorney general may recover reasonable attorneys' fees for any
13 action brought to enforce this section.

14 **Sec. 7.** RCW 50.12.070 and 2007 c 146 s 1 are each amended to read
15 as follows:

16 (1)(a) Each employing unit shall keep true and accurate work
17 records, containing such information as the commissioner may prescribe.
18 Such records shall be open to inspection and be subject to being copied
19 by the commissioner or his or her authorized representatives at any
20 reasonable time and as often as may be necessary. The commissioner may
21 require from any employing unit any sworn or unsworn reports with
22 respect to persons employed by it, which he or she deems necessary for
23 the effective administration of this title.

24 (b) An employer who contracts with another person or entity for
25 work subject to chapter 18.27 or 19.28 RCW shall obtain and preserve a
26 record of the unified business identifier account number for and
27 compensation paid to the person or entity performing the work. Failure
28 to obtain or maintain the record is subject to RCW 39.06.010 and to a
29 penalty determined by the commissioner, but not to exceed two hundred
30 fifty dollars, to be collected as provided in RCW 50.24.120.

31 (2)(a) Each employer shall register with the department and obtain
32 an employment security account number. Registration must include the
33 names and social security numbers of the owners, partners, members, or
34 corporate officers of the business, as well as their mailing addresses
35 and telephone numbers and other information the commissioner may by
36 rule prescribe. Registration of corporations must also include the
37 percentage of stock ownership for each corporate officer, delineated by

1 zero percent, less than ten percent, or ten percent or more. Any
2 changes in the owners, partners, members, or corporate officers of the
3 business, and changes in percentage of ownership of the outstanding
4 shares of stock of the corporation, must be reported to the department
5 at intervals prescribed by the commissioner under (b) of this
6 subsection.

7 (b) Each employer shall make periodic reports at such intervals as
8 the commissioner may by regulation prescribe, setting forth the
9 remuneration paid for employment to workers in its employ, the full
10 names and social security numbers of all such workers, and the total
11 hours worked by each worker and such other information as the
12 commissioner may by regulation prescribe.

13 (c) If the employing unit fails or has failed to report the number
14 of hours in a reporting period for which a worker worked, such number
15 will be computed by the commissioner and given the same force and
16 effect as if it had been reported by the employing unit. In computing
17 the number of such hours worked, the total wages for the reporting
18 period, as reported by the employing unit, shall be divided by the
19 dollar amount of the state's minimum wage in effect for such reporting
20 period and the quotient, disregarding any remainder, shall be credited
21 to the worker: PROVIDED, That although the computation so made will
22 not be subject to appeal by the employing unit, monetary entitlement
23 may be redetermined upon request if the department is provided with
24 credible evidence of the actual hours worked. Benefits paid using
25 computed hours are not considered an overpayment and are not subject to
26 collections when the correction of computed hours results in an invalid
27 or reduced claim; however:

28 (i) A contribution paying employer who fails to report the number
29 of hours worked will have its experience rating account charged for all
30 benefits paid that are based on hours computed under this subsection;
31 and

32 (ii) An employer who reimburses the trust fund for benefits paid to
33 workers and fails to report the number of hours worked shall reimburse
34 the trust fund for all benefits paid that are based on hours computed
35 under this subsection.

36 **Sec. 8.** RCW 51.48.103 and 2003 c 53 s 283 are each amended to read
37 as follows:

2 (a) For any employer to engage in business subject to this title
3 without having obtained a certificate of coverage as provided for in
4 this title;

15 other officer of any company to cause or permit the company to engage
16 in business subject to this title after revocation of a certificate of

19 shall, in addition to any other penalties, be subject to the penalties
20 in section 3 of this act.

21 **Sec. 9.** RCW 51.48.020 and 1997 c 324 s 1 are each amended to read
22 as follows:

24 the amount of his or her payroll or employee hours upon which the
25 premium under this title is based, shall be liable to the state for up
26 to ten times the amount of the difference in premiums paid and the
27 amount the employer should have paid and for the reasonable expenses of
28 auditing his or her books and collecting such sums. Such liability may
29 be enforced in the name of the department.

30 (b) An employer is guilty of a class C felony, if:

31 (i) The employer, with intent to evade determination and payment of
32 the correct amount of the premiums, knowingly makes misrepresentations
33 regarding payroll or employee hours; or

34 (ii) The employer engages in employment covered under this title
35 and, with intent to evade determination and payment of the correct
36 amount of the premiums, knowingly fails to secure payment of
