AS AMENDED BY THE SENATE

Passed Legislature - 2007 Regular Session

**State of Washington                      60th Legislature                      2007 Regular Session**

**By** House Committee on Early Learning & Children's Services  
(originally sponsored by Representatives Hinkle, Kagi and Walsh)

READ FIRST TIME 02/19/07.

1            AN ACT Relating to child welfare; amending RCW 13.34.138,  
2 13.34.025, 74.13.330, and 71.24.035; adding a new section to chapter  
3 26.44 RCW; adding a new section to chapter 43.101 RCW; adding a new  
4 section to chapter 13.34 RCW; and creating new sections.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6            **Sec. 1.** RCW 13.34.138 and 2005 c 512 s 3 are each amended to read  
7 as follows:

8            (1) Except for children whose cases are reviewed by a citizen  
9 review board under chapter 13.70 RCW, the status of all children found  
10 to be dependent shall be reviewed by the court at least every six  
11 months from the beginning date of the placement episode or the date  
12 dependency is established, whichever is first, at a hearing in which it  
13 shall be determined whether court supervision should continue. The  
14 initial review hearing shall be an in-court review and shall be set six  
15 months from the beginning date of the placement episode or no more than  
16 ninety days from the entry of the disposition order, whichever comes  
17 first. The initial review hearing may be a permanency planning hearing  
18 when necessary to meet the time frames set forth in RCW 13.34.145(3) or  
19 13.34.134. The review shall include findings regarding the agency and

1 parental completion of disposition plan requirements, and if necessary,  
2 revised permanency time limits. This review shall consider both the  
3 agency's and parent's efforts that demonstrate consistent measurable  
4 progress over time in meeting the disposition plan requirements. The  
5 requirements for the initial review hearing, including the in-court  
6 requirement, shall be accomplished within existing resources. The  
7 supervising agency shall provide a foster parent, preadoptive parent,  
8 or relative with notice of, and their right to an opportunity to be  
9 heard in, a review hearing pertaining to the child, but only if that  
10 person is currently providing care to that child at the time of the  
11 hearing. This section shall not be construed to grant party status to  
12 any person who has been provided an opportunity to be heard.

13 (a) A child shall not be returned home at the review hearing unless  
14 the court finds that a reason for removal as set forth in RCW 13.34.130  
15 no longer exists. The parents, guardian, or legal custodian shall  
16 report to the court the efforts they have made to correct the  
17 conditions which led to removal. If a child is returned, casework  
18 supervision shall continue for a period of six months, at which time  
19 there shall be a hearing on the need for continued intervention.

20 (b) Prior to the child returning home, the department must complete  
21 the following:

22 (i) Identify all adults residing in the home and conduct background  
23 checks on those persons;

24 (ii) Identify any persons who may act as a caregiver for the child  
25 in addition to the parent with whom the child is being placed and  
26 determine whether such persons are in need of any services in order to  
27 ensure the safety of the child, regardless of whether such persons are  
28 a party to the dependency. The department or supervising agency may  
29 recommend to the court and the court may order that placement of the  
30 child in the parent's home be contingent on or delayed based on the  
31 need for such persons to engage in or complete services to ensure the  
32 safety of the child prior to placement. If services are recommended  
33 for the caregiver, and the caregiver fails to engage in or follow  
34 through with the recommended services, the department or supervising  
35 agency must promptly notify the court; and

36 (iii) Notify the parent with whom the child is being placed that he  
37 or she has an ongoing duty to notify the department or supervising  
38 agency of all persons who reside in the home or who may act as a

1 caregiver for the child both prior to the placement of the child in the  
2 home and subsequent to the placement of the child in the home as long  
3 as the court retains jurisdiction of the dependency proceeding or the  
4 department is providing or monitoring either remedial services to the  
5 parent or services to ensure the safety of the child to any caregivers.

6 Caregivers may be required to engage in services under this  
7 subsection solely for the purpose of ensuring the present and future  
8 safety of a child who is a ward of the court. This subsection does not  
9 grant party status to any individual not already a party to the  
10 dependency proceeding, create an entitlement to services or a duty on  
11 the part of the department or supervising agency to provide services,  
12 or create judicial authority to order the provision of services to any  
13 person other than for the express purposes of this section or RCW  
14 13.34.025 or if the services are unavailable or unsuitable or the  
15 person is not eligible for such services.

16 (c) If the child is not returned home, the court shall establish in  
17 writing:

18 (i) Whether reasonable services have been provided to or offered to  
19 the parties to facilitate reunion, specifying the services provided or  
20 offered;

21 (ii) Whether the child has been placed in the least-restrictive  
22 setting appropriate to the child's needs, including whether  
23 consideration and preference has been given to placement with the  
24 child's relatives;

25 (iii) Whether there is a continuing need for placement and whether  
26 the placement is appropriate;

27 (iv) Whether there has been compliance with the case plan by the  
28 child, the child's parents, and the agency supervising the placement;

29 (v) Whether progress has been made toward correcting the problems  
30 that necessitated the child's placement in out-of-home care;

31 (vi) Whether the parents have visited the child and any reasons why  
32 visitation has not occurred or has been infrequent;

33 (vii) Whether additional services, including housing assistance,  
34 are needed to facilitate the return of the child to the child's  
35 parents; if so, the court shall order that reasonable services be  
36 offered specifying such services; and

37 (viii) The projected date by which the child will be returned home  
38 or other permanent plan of care will be implemented.

1       (~~(e)~~) (d) The court at the review hearing may order that a  
2 petition seeking termination of the parent and child relationship be  
3 filed.

4       (2)(a) In any case in which the court orders that a dependent child  
5 may be returned to or remain in the child's home, the in-home placement  
6 shall be contingent upon the following:

7       (i) The compliance of the parents with court orders related to the  
8 care and supervision of the child, including compliance with an agency  
9 case plan; and

10       (ii) The continued participation of the parents, if applicable, in  
11 available substance abuse or mental health treatment if substance abuse  
12 or mental illness was a contributing factor to the removal of the  
13 child.

14       (b) The following may be grounds for removal of the child from the  
15 home, subject to review by the court:

16       (i) Noncompliance by the parents with the agency case plan or court  
17 order;

18       (ii) The parent's inability, unwillingness, or failure to  
19 participate in available services or treatment for themselves or the  
20 child, including substance abuse treatment if a parent's substance  
21 abuse was a contributing factor to the abuse or neglect; or

22       (iii) The failure of the parents to successfully and substantially  
23 complete available services or treatment for themselves or the child,  
24 including substance abuse treatment if a parent's substance abuse was  
25 a contributing factor to the abuse or neglect.

26       (c) In a pending dependency case in which the court orders that a  
27 dependent child may be returned home and that child is later removed  
28 from the home, the court shall hold a review hearing within thirty days  
29 from the date of removal to determine whether the permanency plan  
30 should be changed, a termination petition should be filed, or other  
31 action is warranted. The best interests of the child shall be the  
32 court's primary consideration in the review hearing.

33       (3) The court's ability to order housing assistance under RCW  
34 13.34.130 and this section is: (a) Limited to cases in which  
35 homelessness or the lack of adequate and safe housing is the primary  
36 reason for an out-of-home placement; and (b) subject to the  
37 availability of funds appropriated for this specific purpose.

1 (4) The court shall consider the child's relationship with siblings  
2 in accordance with RCW 13.34.130(3).

3 **Sec. 2.** RCW 13.34.025 and 2002 c 52 s 2 are each amended to read  
4 as follows:

5 (1) The department of social and health services shall develop  
6 methods for coordination of services to parents and children in child  
7 dependency cases. To the maximum extent possible under current funding  
8 levels, the department must:

9 ((+1)) (a) Coordinate and integrate services to children and  
10 families, using service plans and activities that address the  
11 children's and families' multiple needs, including ensuring that  
12 siblings have regular visits with each other, as appropriate.  
13 Assessment criteria should screen for multiple needs;

14 ((+2)) (b) Develop treatment plans for the individual needs of the  
15 client in a manner that minimizes the number of contacts the client is  
16 required to make; and

17 ((+3)) (c) Access training for department staff to increase skills  
18 across disciplines to assess needs for mental health, substance abuse,  
19 developmental disabilities, and other areas.

20 (2) The department shall coordinate within the administrations of  
21 the department, and with contracted service providers, to ensure that  
22 parents in dependency proceedings under this chapter receive priority  
23 access to remedial services recommended by the department in its social  
24 study or ordered by the court for the purpose of correcting any  
25 parental deficiencies identified in the dependency proceeding that are  
26 capable of being corrected in the foreseeable future. Services may  
27 also be provided to caregivers other than the parents as identified in  
28 RCW 13.34.138.

29 (a) For purposes of this chapter, remedial services are those  
30 services defined in the federal adoption and safe families act as  
31 time-limited family reunification services. Remedial services include  
32 individual, group, and family counseling; substance abuse treatment  
33 services; mental health services; assistance to address domestic  
34 violence; services designed to provide temporary child care and  
35 therapeutic services for families; and transportation to or from any of  
36 the above services and activities.

1       (b) The department shall provide funds for remedial services if the  
2 parent is unable to pay to the extent funding is appropriated in the  
3 operating budget or otherwise available to the department for such  
4 specific services. As a condition for receiving funded remedial  
5 services, the court may inquire into the parent's ability to pay for  
6 all or part of such services or may require that the parent make  
7 appropriate applications for funding to alternative funding sources for  
8 such services.

9       (c) If court-ordered remedial services are unavailable for any  
10 reason, including lack of funding, lack of services, or language  
11 barriers, the department shall promptly notify the court that the  
12 parent is unable to engage in the treatment due to the inability to  
13 access such services.

14       (d) This section does not create an entitlement to services and  
15 does not create judicial authority to order the provision of services  
16 except for the specific purpose of making reasonable efforts to remedy  
17 parental deficiencies identified in a dependency proceeding under this  
18 chapter.

19       NEW SECTION. Sec. 3. A new section is added to chapter 26.44 RCW  
20 to read as follows:

21       (1) Each county shall revise and expand its existing child sexual  
22 abuse investigation protocol to address investigations of child  
23 fatality, child physical abuse, and criminal child neglect cases and to  
24 incorporate the statewide guidelines for first responders to child  
25 fatalities developed by the criminal justice training commission. The  
26 protocols shall address the coordination of child fatality, child  
27 physical abuse, and criminal child neglect investigations between the  
28 county and city prosecutor's offices, law enforcement, children's  
29 protective services, local advocacy groups, emergency medical services,  
30 and any other local agency involved in the investigation of such cases.  
31 The protocol revision and expansion shall be developed by the  
32 prosecuting attorney in collaboration with the agencies referenced in  
33 this section.

34       (2) Revised and expanded protocols under this section shall be  
35 adopted and in place by July 1, 2008. Thereafter, the protocols shall  
36 be reviewed every two years to determine whether modifications are  
37 needed.

1        NEW SECTION.    **Sec. 4.**    A new section is added to chapter 43.101 RCW  
2 to read as follows:

3        (1) The commission, in consultation with the department of social  
4 and health services, the Washington association of sheriffs and police  
5 chiefs, and the Washington association of prosecuting attorneys, shall  
6 develop a curriculum related to child abuse and neglect to be included  
7 in the basic law enforcement training that must be successfully  
8 completed within the first fifteen months of employment of all law  
9 enforcement personnel.

10       (2) The curriculum must be incorporated into the basic law  
11 enforcement training program by July 1, 2008.

12       NEW SECTION.    **Sec. 5.**    (1) The joint legislative audit and review  
13 committee shall analyze gaps throughout the state in the availability  
14 and accessibility of services identified in the federal adoption and  
15 safe families act as it existed on the effective date of this section.

16       (2) The joint legislative audit and review committee shall submit  
17 to appropriate committees of the legislature a report and  
18 recommendations by December 1, 2007.

19       NEW SECTION.    **Sec. 6.**    A new section is added to chapter 13.34 RCW  
20 to read as follows:

21       (1) The administrative office of the courts, in consultation with  
22 the attorney general's office and the department of social and health  
23 services, shall compile an annual report, providing information about  
24 cases that fail to meet statutory guidelines to achieve permanency for  
25 dependent children.

26       (2) The administrative office of the courts shall submit the annual  
27 report required by this section to appropriate committees of the  
28 legislature by December 1st of each year, beginning on December 1,  
29 2007.

30       **Sec. 7.**    RCW 74.13.330 and 1990 c 284 s 23 are each amended to read  
31 as follows:

32       Foster parents are responsible for the protection, care,  
33 supervision, and nurturing of the child in placement. As an integral  
34 part of the foster care team, foster parents shall, if appropriate and  
35 they desire to: Participate in the development of the service plan for

1 the child and the child's family; assist in family visitation,  
2 including monitoring; (~~and~~) model effective parenting behavior for  
3 the natural family; and be available to help with the child's  
4 transition back to the natural family.

5 **Sec. 8.** RCW 71.24.035 and 2006 c 333 s 201 are each amended to  
6 read as follows:

7 (1) The department is designated as the state mental health  
8 authority.

9 (2) The secretary shall provide for public, client, and licensed  
10 service provider participation in developing the state mental health  
11 program, developing contracts with regional support networks, and any  
12 waiver request to the federal government under medicaid.

13 (3) The secretary shall provide for participation in developing the  
14 state mental health program for children and other underserved  
15 populations, by including representatives on any committee established  
16 to provide oversight to the state mental health program.

17 (4) The secretary shall be designated as the regional support  
18 network if the regional support network fails to meet state minimum  
19 standards or refuses to exercise responsibilities under RCW 71.24.045.

20 (5) The secretary shall:

21 (a) Develop a biennial state mental health program that  
22 incorporates regional biennial needs assessments and regional mental  
23 health service plans and state services for mentally ill adults and  
24 children. The secretary shall also develop a six-year state mental  
25 health plan;

26 (b) Assure that any regional or county community mental health  
27 program provides access to treatment for the region's residents,  
28 including parents who are defendants in dependency cases, in the  
29 following order of priority: (i) The acutely mentally ill; (ii)  
30 chronically mentally ill adults and severely emotionally disturbed  
31 children; and (iii) the seriously disturbed. Such programs shall  
32 provide:

33 (A) Outpatient services;

34 (B) Emergency care services for twenty-four hours per day;

35 (C) Day treatment for mentally ill persons which includes training  
36 in basic living and social skills, supported work, vocational  
37 rehabilitation, and day activities. Such services may include

1 therapeutic treatment. In the case of a child, day treatment includes  
2 age-appropriate basic living and social skills, educational and  
3 prevocational services, day activities, and therapeutic treatment;

4 (D) Screening for patients being considered for admission to state  
5 mental health facilities to determine the appropriateness of admission;

6 (E) Employment services, which may include supported employment,  
7 transitional work, placement in competitive employment, and other work-  
8 related services, that result in mentally ill persons becoming engaged  
9 in meaningful and gainful full or part-time work. Other sources of  
10 funding such as the division of vocational rehabilitation may be  
11 utilized by the secretary to maximize federal funding and provide for  
12 integration of services;

13 (F) Consultation and education services; and

14 (G) Community support services;

15 (c) Develop and adopt rules establishing state minimum standards  
16 for the delivery of mental health services pursuant to RCW 71.24.037  
17 including, but not limited to:

18 (i) Licensed service providers. These rules shall permit a county-  
19 operated mental health program to be licensed as a service provider  
20 subject to compliance with applicable statutes and rules. The  
21 secretary shall provide for deeming of compliance with state minimum  
22 standards for those entities accredited by recognized behavioral health  
23 accrediting bodies recognized and having a current agreement with the  
24 department;

25 (ii) Regional support networks; and

26 (iii) Inpatient services, evaluation and treatment services and  
27 facilities under chapter 71.05 RCW, resource management services, and  
28 community support services;

29 (d) Assure that the special needs of minorities, the elderly,  
30 disabled, children, ~~((and))~~ low-income persons, and parents who are  
31 defendants in dependency cases are met within the priorities  
32 established in this section;

33 (e) Establish a standard contract or contracts, consistent with  
34 state minimum standards and RCW 71.24.320, 71.24.330, and 71.24.3201,  
35 which shall be used in contracting with regional support networks. The  
36 standard contract shall include a maximum fund balance, which shall be  
37 consistent with that required by federal regulations or waiver  
38 stipulations;

1 (f) Establish, to the extent possible, a standardized auditing  
2 procedure which minimizes paperwork requirements of regional support  
3 networks and licensed service providers. The audit procedure shall  
4 focus on the outcomes of service and not the processes for  
5 accomplishing them;

6 (g) Develop and maintain an information system to be used by the  
7 state and regional support networks that includes a tracking method  
8 which allows the department and regional support networks to identify  
9 mental health clients' participation in any mental health service or  
10 public program on an immediate basis. The information system shall not  
11 include individual patient's case history files. Confidentiality of  
12 client information and records shall be maintained as provided in this  
13 chapter and in RCW 71.05.390, 71.05.420, and 71.05.440;

14 (h) License service providers who meet state minimum standards;

15 (i) Certify regional support networks that meet state minimum  
16 standards;

17 (j) Periodically monitor the compliance of certified regional  
18 support networks and their network of licensed service providers for  
19 compliance with the contract between the department, the regional  
20 support network, and federal and state rules at reasonable times and in  
21 a reasonable manner;

22 (k) Fix fees to be paid by evaluation and treatment centers to the  
23 secretary for the required inspections;

24 (l) Monitor and audit regional support networks and licensed  
25 service providers as needed to assure compliance with contractual  
26 agreements authorized by this chapter;

27 (m) Adopt such rules as are necessary to implement the department's  
28 responsibilities under this chapter; and

29 (n) Assure the availability of an appropriate amount, as determined  
30 by the legislature in the operating budget by amounts appropriated for  
31 this specific purpose, of community-based, geographically distributed  
32 residential services.

33 (6) The secretary shall use available resources only for regional  
34 support networks, except to the extent authorized, and in accordance  
35 with any priorities or conditions specified, in the biennial  
36 appropriations act.

37 (7) Each certified regional support network and licensed service  
38 provider shall file with the secretary, on request, such data,

1 statistics, schedules, and information as the secretary reasonably  
2 requires. A certified regional support network or licensed service  
3 provider which, without good cause, fails to furnish any data,  
4 statistics, schedules, or information as requested, or files fraudulent  
5 reports thereof, may have its certification or license revoked or  
6 suspended.

7 (8) The secretary may suspend, revoke, limit, or restrict a  
8 certification or license, or refuse to grant a certification or license  
9 for failure to conform to: (a) The law; (b) applicable rules and  
10 regulations; (c) applicable standards; or (d) state minimum standards.

11 (9) The superior court may restrain any regional support network or  
12 service provider from operating without certification or a license or  
13 any other violation of this section. The court may also review,  
14 pursuant to procedures contained in chapter 34.05 RCW, any denial,  
15 suspension, limitation, restriction, or revocation of certification or  
16 license, and grant other relief required to enforce the provisions of  
17 this chapter.

18 (10) Upon petition by the secretary, and after hearing held upon  
19 reasonable notice to the facility, the superior court may issue a  
20 warrant to an officer or employee of the secretary authorizing him or  
21 her to enter at reasonable times, and examine the records, books, and  
22 accounts of any regional support network or service provider refusing  
23 to consent to inspection or examination by the authority.

24 (11) Notwithstanding the existence or pursuit of any other remedy,  
25 the secretary may file an action for an injunction or other process  
26 against any person or governmental unit to restrain or prevent the  
27 establishment, conduct, or operation of a regional support network or  
28 service provider without certification or a license under this chapter.

29 (12) The standards for certification of evaluation and treatment  
30 facilities shall include standards relating to maintenance of good  
31 physical and mental health and other services to be afforded persons  
32 pursuant to this chapter and chapters 71.05 and 71.34 RCW, and shall  
33 otherwise assure the effectuation of the purposes of these chapters.

34 (13) The department shall distribute appropriated state and federal  
35 funds in accordance with any priorities, terms, or conditions specified  
36 in the appropriations act.

37 (14) The secretary shall assume all duties assigned to the  
38 nonparticipating regional support networks under chapters 71.05, 71.34,

1 and 71.24 RCW. Such responsibilities shall include those which would  
2 have been assigned to the nonparticipating counties in regions where  
3 there are not participating regional support networks.

4 The regional support networks, or the secretary's assumption of all  
5 responsibilities under chapters 71.05, 71.34, and 71.24 RCW, shall be  
6 included in all state and federal plans affecting the state mental  
7 health program including at least those required by this chapter, the  
8 medicaid program, and P.L. 99-660. Nothing in these plans shall be  
9 inconsistent with the intent and requirements of this chapter.

10 (15) The secretary shall:

11 (a) Disburse funds for the regional support networks within sixty  
12 days of approval of the biennial contract. The department must either  
13 approve or reject the biennial contract within sixty days of receipt.

14 (b) Enter into biennial contracts with regional support networks.  
15 The contracts shall be consistent with available resources. No  
16 contract shall be approved that does not include progress toward  
17 meeting the goals of this chapter by taking responsibility for: (i)  
18 Short-term commitments; (ii) residential care; and (iii) emergency  
19 response systems.

20 (c) Notify regional support networks of their allocation of  
21 available resources at least sixty days prior to the start of a new  
22 biennial contract period.

23 (d) Deny all or part of the funding allocations to regional support  
24 networks based solely upon formal findings of noncompliance with the  
25 terms of the regional support network's contract with the department.  
26 Regional support networks disputing the decision of the secretary to  
27 withhold funding allocations are limited to the remedies provided in  
28 the department's contracts with the regional support networks.

29 (16) The department, in cooperation with the state congressional  
30 delegation, shall actively seek waivers of federal requirements and  
31 such modifications of federal regulations as are necessary to allow  
32 federal medicaid reimbursement for services provided by free-standing  
33 evaluation and treatment facilities certified under chapter 71.05 RCW.  
34 The department shall periodically report its efforts to the appropriate  
35 committees of the senate and the house of representatives.
