14 direct result of changes in uniform medical plan enrollment. Moneys in  
15 the account may also be used for administrative activities required to  
16 respond to new and unforeseen conditions that impact the uniform  
17 medical plan, but only when the authority and the office of financial  
18 management jointly agree that such activities must be initiated prior  
19 to the next legislative session.

2 plan enrollees for expenditures related to benefits administration,  
3 including moneys disbursed from the public employees' and retirees'  
4 insurance account, shall be deposited into the account. The account is  
5 subject to allotment procedures under chapter 43.88 RCW, but no  
6 appropriation is required for expenditures. All proposals for  
7 allotment increases shall be provided to the house of representatives  
8 appropriations committee and to the senate ways and means committee at  
9 the same time as they are provided to the office of financial  
10 management.

11 (3) The uniform dental plan benefits administration account is  
12 created in the custody of the state treasurer. Only the administrator  
13 or the administrator's designee may authorize expenditures from the  
14 account. Moneys in the account shall be used exclusively for
