

HB 1120 - DIGEST

Declares an intent to assist families to access affordable and comprehensive health care for their children with disabilities by providing medical assistance to these children through a buy-in program in accordance with section 1902(a)(10)(A)(iii) of the social security act and eligibility and cost-sharing requirements established by the department.

Requires the department to establish cost-sharing and employer-sponsored coverage requirements for the buy-in program in accordance with federal law and any conditions or limitations specified in the omnibus appropriations act. The department shall make every effort to coordinate benefits with employer-sponsored coverage available to the families receiving benefits under this act.
