

HB 1677-S - DIGEST

(SUBSTITUTED FOR - SEE 2ND SUB)

Declares an intent to establish an outdoor education and recreation program to provide a large number of underserved students with quality opportunities to directly experience the natural world. It is the intent of the program to improve students' overall academic performance, self-esteem, personal responsibility, community involvement, personal health, and understanding of nature. Further, it is the intent of the program to empower local communities to engage students in outdoor education and recreation experiences.
