

**HB 2168 - DIGEST**

Provides that the superintendent of public instruction, within existing resources, shall develop a program of instruction for firearms accident prevention for students in kindergarten through grade twelve.

Declares that beginning with the 2009-10 school year, all common school districts may adopt the firearms accident prevention program developed by the superintendent of public instruction under this act to instruct students in kindergarten and through grade twelve in the content area addressed by the curriculum. A school district may provide additional instruction that supplements the program established by the superintendent of public instruction.
