

HB 2289 - DIGEST

(SEE ALSO PROPOSED 1ST SUB)

Creates a task force to study streamlining state information services.

Directs the task force to review the following issues:

- (1) A statewide information services strategy;
- (2) Development of a process to strengthen the mandate of the department of information services in acquiring various information services;
- (3) Leveraging the purchasing power of the department of information services to drive down the cost of securing information services; and
- (4) Strengthening the role of the information services board in enhancing the utilization of services offered by the department of information services.

Requires the task force to report its findings and recommendations to the governor and the appropriate committees of the legislature by December 1, 2007.
