

**HB 2644 - DIGEST**

Requires that in a prosecution for a sex offense, the prosecuting attorney shall file a special allegation of internet facilitation whenever a reasonable and objective fact-finder could find that the defendant used the internet to facilitate the commission of the offense.

Provides that when sentencing an offender convicted of a sex offense with a finding of internet facilitation, the court, as a condition of any term of community custody shall prohibit the offender from accessing or using a computer without the prior written approval of the department of corrections and require the offender to submit to unannounced inspections of his or her computer.
