

HB 3144 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Requires the department of information services to coordinate among state agencies to develop a web site to serve as a consumer protection portal. The department shall use the business portal and the office of regulatory assistance portal as a model. The web site shall serve as a one-stop web site for consumer information.

Requires, by September 1, 2008, state agencies to report to the department on whether they maintain resources for consumers that could be made available through the consumer protection portal.

Requires the department to create a toll-free information line to assist consumers in accessing services available through the consumer protection portal created under this act.
