

**HB 3335 - DIGEST**

Revises rule-making requirements to assure that the legislature can carefully review rules that impose significant requirements on citizens before the rules take effect.

Clarifies that certain agencies may adopt only rules derived from a specific grant of legislative authority. The rules must include the specific statutory section or sections from which the grant of authority is derived, and may not rely solely on a section of law stating a statute's intent or purpose or the general enabling provisions establishing the agency.
