

SB 5841-S - DIGEST

(SUBSTITUTED FOR - SEE 2ND SUB)

Provides that, beginning with the 2007-08 school year, funding for voluntary all-day kindergarten programs shall be phased-in beginning with schools with the highest poverty levels, defined as those schools with the highest percentages of students qualifying for free and reduced-price lunch support in the prior school year. Once a school receives funding for the all-day kindergarten program, that school shall remain eligible for funding in subsequent school years regardless of changes in the school's percentage of students eligible for free and reduced-price lunches as long as other program requirements are fulfilled. Resources for all-day kindergarten shall support all students at the school who are enrolled in kindergarten.

Declares that three demonstration projects are authorized for schools serving kindergarten through third grade students to develop, implement, and document the effects of a comprehensive K-3 foundations program. At least two demonstration projects shall be in schools that are participating in the public-private early learning partnerships in the Highline and Yakima school districts. The third demonstration project shall be in the Spokane school district.

Declares that the goals of the English as a second language demonstration project are to develop recommendations: (1) Identifying foundational competencies for developing academic English skills in English language learner students that all teachers should acquire in initial teacher preparation programs;

(2) Identifying components of a professional development program that builds classroom teacher competence for developing academic English skills in English language learner students; and

(3) Identifying job-embedded practices that connect the English language learner teacher and classroom teachers to coordinate instruction to support the work of the student.
