

SB 6777-S - DIGEST

(AS OF SENATE 2ND READING 2/18/2008)

Requires that, until a judgment is entered by a Washington appellate court that determines title to the sand, gravel, and rock resources in specified lands, the department shall not authorize any portion of the state-owned aquatic lands that comprise the Maury Island aquatic reserve for industrial uses or for transportation of materials from a surface mine, mining operation, or other industrial activities, and may not authorize the construction of docks or other improvements associated with these uses.

Expires January 1, 2011.

Directs the joint legislative audit and review committee to contract with an appropriate entity to develop a report consisting of a summary of the original grant to the state and all subsequent conveyances, and to review and fully analyze the conveyance documents with respect to lands formerly owned by the state of Washington located on Maury Island.
