

**SB 6809-S.E - DIGEST**

(DIGEST AS ENACTED)

Declares the intent to provide a sales and use tax exemption, in the form of a remittance, to lower-income working families in Washington and to use the federal earned income tax credit as a proxy for the amount of sales tax paid.

Declares that the department of revenue must assess the implementation of the working families' tax exemption in a report to the legislature to identify administrative or resource issues that require legislative action.
