By Representative Hunter

NOT CONSIDERED 4/26/2009

1 Strike everything after the enacting clause and insert the  
2 following:

3  
4 "NEW SECTION. **Sec. 1.** (1) The legislature recognizes that  
5 counties and cities, the general purpose local governments that are  
6 closest to the people, are charged with providing numerous and diverse  
7 services to their residents. In providing these services, counties  
8 and cities must respond to legislative and citizen directives, and a  
9 changing, and often challenging, financial landscape.

10 (2) The legislature recognizes that population growth and the  
11 enactment and maturation of the growth management act has resulted in  
12 many governance changes throughout the state, as annexations and  
13 incorporations have expanded existing cities and created new  
14 incorporated areas. These actions have been consistent with growth  
15 management act principles that call for growth to be thoughtfully and  
16 deliberately directed to urban areas and areas characterized by urban  
17 growth. These actions have also been consistent with pronouncements  
18 of the act specifying that, in general, cities are most appropriate  
19 providers of urban governmental services, the services and facilities  
20 that are historically and typically provided in cities.

21 (3) Recognizing the governance efficiencies that will result from  
22 the annexation of urban and urbanizing areas in the state's largest  
23 counties, the principles of fairness that will take root as rural  
24 residents cease to bear the costs of providing urban governmental  
25 services in unincorporated urban and urbanizing areas, and the  
26 unprecedented financial pressures that local governments face, the  
27 legislature intends to establish new annexation mechanisms and related

1 fiscal provisions that apply in counties with more than one million  
2 five hundred thousand residents.

3  
4 **Sec. 2.** RCW 82.14.415 and 2006 c 361 s 1 are each amended to read  
5 as follows:

6 (1) The legislative authority of any city (~~((with a population less~~  
7 ~~than four hundred thousand and which))~~) that is located in a county  
8 with a population greater than six hundred thousand that annexes an  
9 area consistent with its comprehensive plan required by chapter 36.70A  
10 RCW(~~(7)~~) may impose a sales and use tax in accordance with the terms  
11 of this chapter. The tax is in addition to other taxes authorized by  
12 law and shall be collected from those persons who are taxable by the  
13 state under chapters 82.08 and 82.12 RCW upon the occurrence of any  
14 taxable event within the city. The tax may only be imposed by a city  
15 if:

16 (a) The city has commenced annexation of an area under chapter  
17 35.13 or 35A.14 RCW having a population of at least ten thousand  
18 people prior to January 1, (~~(2010)~~) 2015; and

19 (b) The city legislative authority determines by resolution or  
20 ordinance that the projected cost to provide municipal services to the  
21 annexation area exceeds the projected general revenue that the city  
22 would otherwise receive from the annexation area on an annual basis.

23 (2) The tax authorized under this section is a credit against the  
24 state tax under chapter 82.08 or 82.12 RCW. The department of revenue  
25 shall perform the collection of such taxes on behalf of the city at no  
26 cost to the city (~~(and shall remit)~~). The tax shall be remitted to  
27 the city as provided in RCW 82.14.060.

28 (3)(a) Except as provided in (b) of this subsection, the maximum  
29 rate of tax any city may impose under this section shall be (~~(0.2~~  
30 ~~percent for the total number of annexed areas the city may annex. The~~  
31 ~~rate of the tax imposed under this section is))~~):

32 (i) 0.1 percent for each annexed area population that is greater  
33 than ten thousand and less than twenty thousand(~~(. The rate of the~~  
34 ~~tax imposed under this section shall be))~~); and

1 (ii) 0.2 percent for an annexed area ((which the)) population that  
2 is greater than twenty thousand.

3 (b) As of July 1, 2011, and thereafter, 0.85 percent for an  
4 annexed area population that is greater than eighteen thousand if:

5 (i) The annexed area is annexed by a city that has officially  
6 designated the area a potential annexation area; and

7 (ii) The annexed area is, or was prior to November 1, 2008,  
8 officially designated as a potential annexation area by a city with a  
9 population greater than four hundred thousand, in a county with a  
10 population over one million.

11 (4)(a) The maximum cumulative rate of tax a city may impose under  
12 subsection (3)(a)(i) and (ii) of this section is 0.2 percent for the  
13 total number of annexed areas the city may annex.

14 (b) The maximum cumulative rate of tax a city may impose under  
15 subsection (3)(b) of this section is 0.85 percent and for the single  
16 annexed area the city may annex and the amount of tax distributed to a  
17 city under subsection (3)(b) of this section shall not exceed five  
18 million dollars per fiscal year.

19 (5) The tax imposed by this section shall only be imposed at the  
20 beginning of a fiscal year and shall continue for no more than ten  
21 years from the date the tax is first imposed. Tax rate increases due  
22 to additional annexed areas shall be effective on July 1st of the  
23 fiscal year following the fiscal year in which the annexation  
24 occurred, provided that notice is given to the department as set forth  
25 in subsection ((+8)) (9) of this section.

26 ((+5)) (6) All revenue collected under this section shall be used  
27 solely to provide, maintain, and operate municipal services for the  
28 annexation area.

29 ((+6)) (7) The revenues from the tax authorized in this section  
30 may not exceed that which the city deems necessary to generate revenue  
31 equal to the difference between the city's cost to provide, maintain,  
32 and operate municipal services for the annexation area and the general  
33 revenues that the cities would otherwise expect to receive from the  
34 annexation during a year. If the revenues from the tax authorized in

1 this section and the revenues from the annexation area exceed the  
2 costs to the city to provide, maintain, and operate municipal services  
3 for the annexation area during a given year, the city shall notify the  
4 department and the tax distributions authorized in this section shall  
5 be suspended for the remainder of the year.

6 ~~((+7))~~ (8) No tax may be imposed under this section before July  
7 1, 2007. Before imposing a tax under this section, the legislative  
8 authority of a city shall adopt an ordinance that includes the  
9 following:

10 (a) A certification that the amount needed to provide municipal  
11 services to the annexed area reflects the city's true and actual  
12 costs;

13 (b) The rate of tax under this section that shall be imposed  
14 within the city; and

15 ~~((+b))~~ (c) The threshold amount for the first fiscal year  
16 following the annexation and passage of the ordinance.

17 ~~((+8))~~ (9) The tax shall cease to be distributed to the city for  
18 the remainder of the fiscal year once the threshold amount has been  
19 reached. No later than March 1st of each year, the city shall provide  
20 the department with a certification of the city's true and actual  
21 costs to provide municipal services to the annexed area, a new  
22 threshold amount for the next fiscal year, and notice of any  
23 applicable tax rate changes. Distributions of tax under this section  
24 shall begin again on July 1st of the next fiscal year and continue  
25 until the new threshold amount has been reached or June 30th,  
26 whichever is sooner. Any revenue generated by the tax in excess of  
27 the threshold amount shall belong to the state of Washington. Any  
28 amount resulting from the threshold amount less the total fiscal year  
29 distributions, as of June 30th, shall not be carried forward to the  
30 next fiscal year.

31 ~~((+9))~~ (10) The tax shall cease to be distributed to a city  
32 imposing the tax under subsection (3)(b) of this section for the  
33 remainder of the fiscal year, if the total distributions to the city  
34 imposing the tax exceed five million dollars for the fiscal year.

2 unless the context clearly requires otherwise:

20  
21        **Sec. 3.** RCW 47.26.086 and 1994 c 179 s 11 are each amended to  
22 read as follows:

24 funding programs after fiscal year 1995 are governed by the  
25 requirements of this section.

26        (2) The board shall allocate funds from the account by June 30th  
27 of each year for the ensuing fiscal year to urban counties, cities  
28 with a population of five thousand and over, and to transportation  
29 benefit districts. Projects may include, but are not limited to,  
30 multi-agency projects and arterial improvement projects in fast-  
31 growing areas. The board shall endeavor to provide geographical  
32 diversity in selecting improvement projects to be funded from the  
33 account.

34

1       (3) The intent of the program is to improve mobility of people  
2 and goods in Washington state by supporting economic development and  
3 environmentally responsive solutions to our statewide transportation  
4 system needs.

5       (4) To be eligible to receive these funds, a project must be  
6 consistent with the Growth Management Act, the Clean Air Act including  
7 conformity, and the Commute Trip Reduction Law and consideration must  
8 have been given to the project's relationship, both actual and  
9 potential, with the statewide rail passenger program and rapid mass  
10 transit. Projects must be consistent with any adopted high capacity  
11 transportation plan, must consider existing or reasonably foreseeable  
12 congestion levels attributable to economic development or growth and  
13 all modes of transportation and safety, and must be partially funded  
14 by local government or private contributions, or a combination of such  
15 contributions. Priority consideration shall be given to those

28 funding, the lead agency shall provide written certification to the  
29 board of the pledged local and private funding for the phase of the  
30 project approved. Funds allocated to an applicant that does not  
31 certify its funding within one year after approval may be reallocated  
32 by the board.

33

34

2 RCW to read as follows:

3        A city or town located within a county with a population of one  
4 million five hundred thousand or more may not qualify for new loans or

10 **Sec. 7.** RCW 82.46.035 and 1992 c 221 s 3 and 1991 sp.s c 32 s 33  
11 are each reenacted and amended to read as follows:

12 (1) The legislative authority of any county or city shall identify  
13 in the adopted budget the capital projects, park maintenance and  
14 operation expenditures, or both funded in whole or in part from the  
15 proceeds of the tax authorized in this section, and shall indicate  
16 that such tax is intended to be in addition to other funds that may be  
17 reasonably available for (~~(such capital projects)~~) these purposes.

18 (2) The legislative authority of any county or any city that plans  
19 under RCW 36.70A.040(1) may impose an additional excise tax on each  
20 sale of real property in the unincorporated areas of the county for  
21 the county tax and in the corporate limits of the city for the city  
22 tax at a rate not exceeding one-quarter of one percent of the selling  
23 price. Any county choosing to plan under RCW 36.70A.040(2) and any  
24 city within such a county may only adopt an ordinance imposing the  
25 excise tax authorized by this section if the ordinance is first  
26 authorized by a proposition approved by a majority of the voters of  
27 the taxing district voting on the proposition at a general election  
28 held within the district or at a special election within the taxing  
29 district called by the district for the purpose of submitting such  
30 proposition to the voters.

31 (3) Revenues generated from the tax imposed under subsection (2)  
32 of this section shall be used by such counties and cities (~~(solely)~~)  
33 for financing capital projects specified in a capital facilities plan  
34 element of a comprehensive plan, and, at the option of the city or

1 county, park maintenance and operation expenditures. However,  
2 revenues (a) pledged by such counties and cities to debt retirement  
3 prior to March 1, 1992, may continue to be used for that purpose until  
4 the original debt for which the revenues were pledged is retired, or  
5 (b) committed prior to March 1, 1992, by such counties or cities to a  
6 project may continue to be used for that purpose until the project is  
7 completed.

9 deposited in a separate account.

10 (5) As used in this section, "city" means any city or town and

15 signals, bridges, domestic water systems, storm and sanitary sewer  
16 systems, and planning, construction, reconstruction, repair,  
17 rehabilitation, or improvement of parks.

18 (6) When the governor files a notice of noncompliance under RCW  
19 36.70A.340 with the secretary of state and the appropriate county or  
20 city, the county or city's authority to impose the additional excise  
21 tax under this section shall be temporarily rescinded until the  
22 governor files a subsequent notice rescinding the notice of  
23 noncompliance.

24  
25 **Sec. 8.** RCW 84.55.050 and 2008 c 319 s 1 are each amended to read  
26 as follows:

27 (1) Subject to any otherwise applicable statutory dollar rate  
28 limitations, regular property taxes may be levied by or for a taxing  
29 district in an amount exceeding the limitations provided for in this  
30 chapter if such levy is authorized by a proposition approved by a  
31 majority of the voters of the taxing district voting on the  
32 proposition at a general election held within the district or at a  
33 special election within the taxing district called by the district for  
34 the purpose of submitting such proposition to the voters. Any

1 election held pursuant to this section shall be held not more than  
2 twelve months prior to the date on which the proposed levy is to be  
3 made, except as provided in subsection (2) of this section. The  
4 ballot of the proposition shall state the dollar rate proposed and  
5 shall clearly state the conditions, if any, which are applicable under  
6 subsection (4) of this section.

7 (2)(a) Subject to statutory dollar limitations, a proposition  
8 placed before the voters under this section may authorize annual  
9 increases in levies for multiple consecutive years, up to six  
10 consecutive years, during which period each year's authorized maximum  
11 legal levy shall be used as the base upon which an increased levy  
12 limit for the succeeding year is computed, but the ballot proposition  
13 must state the dollar rate proposed only for the first year of the  
14 consecutive years and must state the limit factor, or a specified  
15 index to be used for determining a limit factor, such as the consumer  
16 price index, which need not be the same for all years, by which the  
17 regular tax levy for the district may be increased in each of the  
18 subsequent consecutive years. Elections for this purpose must be held  
19 at a primary or general election. The title of each ballot measure  
20 must state the limited purposes for which the proposed annual  
21 increases during the specified period of up to six consecutive years  
22 shall be used(~~(, and funds raised under the levy shall not supplant~~  
23 ~~existing funds used for these purposes)~~).

24 (b) Funds raised by a levy under this subsection shall not supplant  
25 existing funds used for the limited purpose specified in the ballot  
26 title. For purposes of this subsection, existing funds means the  
27 actual operating expenditures for the calendar year in which the  
28 ballot measure is approved by voters. Actual operating expenditures  
29 excludes lost federal funds, lost or expired state grants or loans,  
30 extraordinary events not likely to reoccur, changes in contract  
31 provisions beyond the control of the taxing district receiving the  
32 services, and major nonrecurring capital expenditures. This  
33 subsection (2)(b) does not apply to levies approved by the voters in  
34 2009, 2010, and 2011.

1 (3) After a levy authorized pursuant to this section is made, the  
2 dollar amount of such levy may not be used for the purpose of  
3 computing the limitations for subsequent levies provided for in this  
4 chapter, unless the ballot proposition expressly states that the levy  
5 made under this section will be used for this purpose.

6 (4) If expressly stated, a proposition placed before the voters  
7 under subsection (1) or (2) of this section may:

8 (a) Use the dollar amount of a levy under subsection (1) of this  
9 section, or the dollar amount of the final levy under subsection (2)  
10 of this section, for the purpose of computing the limitations for  
11 subsequent levies provided for in this chapter;

12 (b) Limit the period for which the increased levy is to be made  
13 under (a) of this subsection;

14 (c) Limit the purpose for which the increased levy is to be made  
15 under (a) of this subsection, but if the limited purpose includes  
16 making redemption payments on bonds, the period for which the  
17 increased levies are made shall not exceed nine years;

18 (d) Set the levy or levies at a rate less than the maximum rate  
19 allowed for the district; or

20 (e) Include any combination of the conditions in this subsection.

21 (5) Except as otherwise expressly stated in an approved ballot  
22 measure under this section, subsequent levies shall be computed as if:

23 (a) The proposition under this section had not been approved; and

24 (b) The taxing district had made levies at the maximum rates which  
25 would otherwise have been allowed under this chapter during the years  
26 levies were made under the proposition.

27

28 **Sec. 9.** RCW 82.14.460 and 2008 c 157 s 2 are each amended to read  
29 as follows:

30 (1) A county legislative authority may authorize, fix, and impose  
31 a sales and use tax in accordance with the terms of this chapter.

32 (2) The tax authorized in this section shall be in addition to any  
33 other taxes authorized by law and shall be collected from those  
34 persons who are taxable by the state under chapters 82.08 and 82.12

1 RCW upon the occurrence of any taxable event within the county. The  
2 rate of tax shall equal one-tenth of one percent of the selling price  
3 in the case of a sales tax, or value of the article used, in the case  
4 of a use tax.

5 (3) Moneys collected under this section shall be used solely for  
6 the purpose of providing for the operation or delivery of (~~new or~~  
7 ~~expanded~~) chemical dependency or mental health treatment programs and  
8 services and for the operation or delivery of (~~new or expanded~~)  
9 therapeutic court programs and services. For the purposes of this  
10 section, "programs and services" includes, but is not limited to,  
11 treatment services, case management, and housing that are a component  
12 of a coordinated chemical dependency or mental health treatment  
13 program or service.

14 (4) All moneys collected under this section must be used solely  
15 for the purpose of providing new or expanded programs and services as  
16 provided in this section, except that a portion of moneys collected  
17 under this section (~~shall not~~) may be used to supplant existing  
18 funding for these purposes (~~, provided that~~) in a county with a  
19 population greater than one million five hundred thousand persons as  
20 follows: Up to fifty percent may be used to supplant existing funding  
21 in the fiscal year ending in 2010; up to forty percent may be used to  
22 supplant existing funding in the fiscal year ending in 2011; up to  
23 thirty percent may be used to supplant existing funding in the fiscal  
24 year ending in 2012; up to twenty percent may be used to supplant  
25 existing funding in the fiscal year ending in 2013; and up to ten
