13    "NEW SECTION. **Sec. 53.**  A new section is added to chapter 26.26

14 RCW to read as follows:

15    (1) A person who donates gametes to a fertility clinic in

16 Washington to be used in assisted reproduction shall provide, at a

17 minimum, his or her identifying information and medical history to the

18 fertility clinic.  The fertility clinic shall keep the identifying

19 information and medical history of its donors and shall disclose the

20 information as provided under subsection (2) of this section.

21    (2)(a) A child conceived through assisted reproduction who is at

22 least eighteen years old shall be provided, upon his or her request,

23 access to identifying information of the donor who provided gametes

24 for the assisted reproduction that resulted in the birth of the child,

25 unless the donor has signed an affidavit of nondisclosure with the

26 fertility clinic that provided the gamete for assisted reproduction.

27

1    (b) Regardless of whether the donor signed an affidavit of
2 nondisclosure, a child conceived through assisted reproduction who is
3 at least eighteen years old shall be provided, upon his or her
4 request, access to the nonidentifying medical history of the donor who
5 provided gametes for the assisted reproduction that resulted in the
6 birth of the child."

15

16    On page 40, after line 35, insert the following:

17    "(6) Notwithstanding subsection (5) of this section, a child born
18 under a gestational surrogacy contract who is at least eighteen years
19 old shall be provided, upon his or her request, access to identifying
20 information of the woman acting as a gestational surrogate, unless the
21 woman acting as a gestational surrogate has filed an affidavit of
22 nondisclosure with the court.  Regardless of whether the woman acting
23 as a gestational surrogate has filed an affidavit of nondisclosure,
24 the child shall be provided, upon his or her request, access to
25 nonidentifying medical history of the woman acting as a gestational
26 surrogate."

27

28    Correct the title.

     **EFFECT:**    (1) Allows an adult child conceived through assisted
          reproduction or a gestational surrogacy contract to have access to
          identifying information of the donor or woman acting as a
          gestational surrogate unless the donor or woman filed an affidavit
          of nondisclosure, and to have access to nonidentifying medical
          history; (2) Requires fertility clinics to keep identifying
          information and medical history of its donors; (3) Requires the
          attorneys in a gestational surrogacy contract to include in the

court files medical history information of the woman acting as a gestational surrogate; and (4) Defines identifying information as the person's first and last name and the age of the person at the time of donation or surrogacy.
