EFFECT: Increases the amount provided for development of Chehalis Flood River Basin governance agreements for development of flood hazard mitigation measures by \$100,000. Increases the amount for studies for development of flood hazard mitigation measures by \$900,000 and specifies the studies must consider dams and lowland temporary water

storage options. Adds \$200,000 for an early flood warning system.

FISCAL IMPACT: Increases the reappropriation from the State Building Construction Account by \$1.2 million.
