By Representative Miloscia

1 On page 2, line 24 of the amendment, after "treasury." insert
2 "Performance measures and targets must be developed and tracked
3 annually to improve each of the purposes of the account. A report on
4 the performance measures must be submitted annually to the legislature
5 and the governor."

6 On page 2, line 25 of the amendment, after "(3)" insert "(a) All
7 public agencies, local governments, and other entities that receive
8 four hundred thousand or more in taxes from collections pursuant to
9 this section must apply to the Washington state quality award or
10 similar organization for an organization-wide Baldrige assessment
11 within two years and a full assessment every three years thereafter in
12 order to improve the efficiency and effectiveness of public agencies
13 spending this tax funding. Each public agency must commit and plan to
14 become a high performance, high integrity organization and reach a
15 score of sixty percent in ten years.

16 (b) Washington state quality award applications, assessment
17 feedback reports, and corrective action plans must be:

18 (i) Posted on individual public agency, local government, and the
19 Washington state general management accountability and performance web
20 sites to ensure public accountability, sharing of best practices among
21 public agencies, and adequate performance management improvement;

22 (ii) Electronically sent to the Washington state auditor's office
23 to assist in its analysis of departmental performance data, performance
24 measures, and self-assessment systems; and

25 (iii) Used for identification of best practices for performance
26 audits defined in chapter 43.09 RCW. Public agencies may use grant
27 funding for application fee and quality training.

28 (c) State agencies must monitor implementation and consider
29 assessment results as criteria in grant funding.

1 (4)"

2 Correct any internal references accordingly.

3 On page 3, line 28 of the amendment, after "subsection." insert
4 "The department must develop performance measures and targets to
5 annually track reductions in contaminated storm water. The department
6 must report annually to the legislature and governor and must post
7 results on the Washington state general management accountability and
8 performance web site."

9 On page 4, line 13 of the amendment, after "benefits" insert "and
10 the quality management of the organization"

11 On page 4, line 32 of the amendment, after "(6)" insert "The sum of
12 seventy-five thousand dollars is appropriated for the biennium ending
13 June 30, 2011, from the storm water account created in this section to
14 the office of financial management for the Washington state quality
15 award. Funds may be used by the Washington state quality award for the
16 purposes of training public agencies and in managing public agency
17 assessments.

18 (7)"

19 Renumber the remaining subsection consecutively and correct any
20 internal references accordingly.

21 On page 4, line 37 of the amendment, after "(7)" insert "The

23 program for the major programs to measure the goals.

24 (8)"

25 Correct any internal references accordingly.

26 On page 5, after line 34 of the amendment, insert the following:

27 "(3) The department must develop performance measures and targets
28 to be tracked annually to improve the purposes of the account. The
29 department must report annually to the legislature and governor and
30 must post results on the Washington state general management

1 accountability and performance web site. The department must also
2 establish an annual assessment and performance grading program for the
3 major programs to measure the goals."

EFFECT: Requires public agencies, local governments, and other entities that receive \$400,000 or more from the hazardous substance tax to apply for a Baldrige assessment within two years and a full assessment every three years thereafter.

Requires the Department of Ecology to develop performance measures and targets for the Storm Water Account and the Water Quality Action Account to annually track performance. Requires the Department to report to the Legislature and Governor annually and to post the results on the Washington State General Management Accountability and Performance web site.

Requires state agencies to monitor implementation and consider assessment results as criteria in grant funding, and requires the Department of Ecology to prioritize projects, applying through the Storm Water grant program, based on both the water quality benefits and the quality management of the applicant.

Appropriates \$75,000 from the Storm Water Account, created in the bill, to the Office of Financial Management for the Washington State Quality Award, including training.
