By Representative Morris

WITHDRAWN 4/10/2009

1 On page 42, beginning on line 31, strike all of line 31 and insert
2 "the following condition and limitation: The initial request for
3 proposal for the procurement is subject to the requirements of RCW
4 47.56.780, but if the bids received for construction and delivery of
5 the two additional Island Home class ferries exceed \$96 million for
6 two vessels, then the department must re-issue the request for
7 proposal for the procurement of the two additional Island Home Class
8 vessels under the authority of RCW 47.56.030. The first two of the
9 Island Home vessels"

10

EFFECT: If the bids for the additional two Island Home vessels come in over the DOT engineer's estimate for such vessels, the Department of Transportation/Ferries division must re-issue the request for proposal under the Department's general procurement authority statute for vessels. This statute does not include a build in Washington preference.
