2
3 "(9) Any tuition increases above seven percent shall fund costs
4 of instruction, library and student services, utilities and
5 maintenance and other costs related to instruction. The institutions
6 shall also reduce institutional administrative costs by a
7 corresponding percentage."

8

EFFECT: Any tuition increases above 7 percent shall be used by four-year colleges and universities and two-year colleges to fund the cost of instruction, library and student services, utilities and maintenance of buildings and other costs related to instruction. In addition, the institutions shall reduce overall administrative costs by a corresponding percentage.
