

ESSB 5840 - H AMD TO H AMD(H-3356.1) **754**

By Representative McCoy

WITHDRAWN 4/17/2009

1 On page 6, line 34 of the striking amendment, after "~~((+e))~~ (g)"
 2 insert "As of January 1, 2016, a qualifying utility that has between
 3 one hundred fifty thousand and two hundred thousand retail customers
 4 shall be considered in compliance with the annual target in (a) of
 5 this subsection if: (i) The utility's weather-adjusted load growth for
 6 the previous three years on average is no more than two-tenths of one
 7 percent over that time period; (ii) the utility did not commence or
 8 renew ownership or incremental purchase of electricity from resources
 9 other than renewable resources other than on a daily spot price basis
 10 and the electricity is not offset by equivalent renewable energy
 11 credits; and (iii) the utility invests at least one percent of its
 12 total annual retail revenue requirement that year on the incremental
 13 cost of eligible renewable resources, renewable energy credits, or a
 14 combination of both.

15 (h)"

16
 17 Renumber the subsections consecutively and correct any internal
 18 references accordingly.

19
EFFECT: Provides a qualifying utility that has between 150,000
 retail customers and 200,000 retail customers with an alternative
 method of compliance with renewable resource target requirements.
