1 On page 3, line 13, after "(v)" strike all material through
2 "making." on line 15, and insert "Specifically for antipsychotic
3 drugs, a state purchased health care program will allow dispense as
4 written if an endorsing practitioner is writing the prescription to
5 treat food and drug administration approved indications for that
6 medication."

EFFECT: For antipsychotic drugs, allows practitioners to write prescriptions to dispense as written if they are writing the prescriptions to treat FDA approved indications for those medications.
