

SSB 6280 - H COMM AMD

By Committee on Health Care & Wellness

ADOPTED 2/28/2010

1 On page 7, at the beginning of line 1, strike "unless the patient
2 signs a written waiver acknowledging the risks associated with failure
3 to pursue treatment from a primary health care provider. The
4 requirements of the waiver shall be established by the secretary in
5 rule"
6

EFFECT: Removes provisions authorizing an East Asian Medicine Practitioner to continue treating a patient with a potentially serious disorder who refuses a consultation with a primary care provider if the patient has signed a waiver.
