

SSB 6345 - H AMD 1368

By Representative Roach

ADOPTED 3/03/2010

1 On page 4, beginning on line 23, strike all of section 3

2

3 Renumber the remaining sections consecutively and correct any
4 internal references accordingly. Correct the title.

5

EFFECT: Maintains the requirement that violations of the prohibition on a person operating a moving motor vehicle while holding a wireless communications device to his or her ear be enforced as a secondary infraction. Removes an exemption from this prohibition for transit or for-hire vehicle operators.
