1 On page 3, line 6, after "operational." strike all material through
2 "(b)" on line 13, and insert the following:

3 "(b) In lieu of the requirements under subsection (3)(a), a
4 qualifying business located in a county with a population of more than
5 eight hundred thousand people but fewer than one million five hundred
6 thousand people, must establish within six years of the first day of
7 the calendar quarter in which the business first receives an exemption
8 under this section or section 3 of this act that the business has
9 increased employment in the state by a minimum of seventy family wage
10 jobs from the date the eligible computer data center first became
11 operational.

12 (c) For purposes of this subsection (3), "family wage job" means a
13 new permanent employment position requiring forty hours of weekly work,
14 or the equivalent, on a full-time basis and paying a wage equivalent
15 to, or greater than, one hundred fifty percent of the per capita
16 personal income of the county in which the qualified project is
17 located. The qualifying business must provide health insurance
18 coverage for employees.
