By Senator Pflug

NOT ADOPTED 04/25/2009

1 On page 4, line 34 of the amendment, after "percentage of" strike
2 "thirty-five" and insert "twenty-eight"

3 On page 4, line 36 of the amendment, after "2011" insert ", except
4 that for districts grandfathered above twenty-eight percent as of the
5 effective date of this section, the authority to collect the
6 grandfathered level is retained"

EFFECT: The maximum levy authority is set at 28% for years 2010-11, rather than 35% in the underlying bill. Districts with existing maximum levy authority in excess of 28% retain the authority to collect at those levels, but are not granted a 4% levy authority increase.
