3 "NEW SECTION. **Sec. 1.** The legislature finds that children who
4 participate in high quality preschool programs have improved
5 educational and life outcomes and are more likely to graduate from high
6 school and pursue higher education, experience successful employment
7 opportunities, and have increased earnings. Therefore, the legislature
8 intends to create an entitlement to a program of early learning to
9 protect the current levels of funding for comprehensive preschool
10 programs for three and four-year old children beginning September 1,
11 2011.

12 The legislature also finds that the state early childhood education
13 and assistance program was established to help children from low-income
14 families be prepared for kindergarten, and that the program has been a
15 successful model for achieving that goal. Therefore, the legislature
16 intends that implementing a program of early learning shall be
17 accomplished by using the program standards and eligibility criteria in
18 the early childhood education and assistance program.

19 NEW SECTION. **Sec. 2.** A new section is added to chapter 43.215 RCW
20 to read as follows:

21 (1) An early learning program is established, beginning September
22 1, 2011, to provide preschool opportunities for children three and four
23 years of age. The program shall be implemented by using the program
24 standards and eligibility criteria in the early childhood education and
25 assistance program under RCW 43.215.405. Participation in the program
26 is voluntary. On a space-available basis, the program may allow
27 enrollment of children who are not otherwise eligible by assessing a
28 fee.

1 (2)(a) The program shall be implemented in phases, with the goal
2 that full implementation be achieved in the 2017-18 school year.

3 (b) For an initial phase of an early learning program in school
4 years 2011-12 and 2012-13, the number of slots for the early learning
5 program shall not be less than the number of slots for three and four-
6 year old children served in comprehensive preschool programs during the
7 2009-2011 biennium.

8 (c) Funding shall continue to be phased in incrementally each year
9 until full statewide implementation of the early learning program is
10 achieved.

11 (3) By December 1, 2010, the department shall report to the
12 governor and the appropriate committees of legislature with
13 recommendations for:

14 (a) Implementing an early learning program; and

15 (b) Renaming the early childhood education and assistance program
16 to reflect the new early learning program.

17 (4) Beginning December 1, 2012, the department of early learning
18 and the office of financial management shall annually review the
19 caseload forecasts for the early learning program and report to the
20 governor and the appropriate committees of the legislature with
21 recommendations for phasing in additional funding to achieve the goal
22 of full statewide implementation.
