

**SSB 5352** - S AMD **256**

By Senators King and Marr

ADOPTED 4/01/2009

1       On page 36, line 34, after "replacement", strike "must consist of  
2 a tug and barge" and insert "must consist of either a tug and barge or  
3 rehabilitation work to the existing vessel and dock facilities after  
4 discussions with members of the community and any affected tribal  
5 governments.

6

EFFECT:     Provides the Department of Transportation the  
flexibility to choose either a tug and barge, or to perform  
rehabilitation work to the existing facilities.

--- END ---
