

SSB 6448 - S AMD TO S AMD (S-5167.3/10) 362
By Senator Kauffman

1 On page 18, line 6 of the amendment, after "old" insert "that
2 threaten the integrity of a road or components of a road"

3 On page 18, line 7 of the amendment, after "activities" insert
4 "that do not include instream work, except where necessary for
5 suspended cable yarding across streams"

6 On page 18, line 8 of the amendment, after "repair" insert ",
7 provided no instream work is conducted"

EFFECT: Narrows those forest practice activities that do not require a hydraulic project permit once provisions for the protection of fish life are incorporated into forest practices permits.
