

SB 6497 - S AMD 61

By Senator Keiser

1 On page 1, line 13, after "rule" insert ". The commissioner shall
2 not require proprietary financial information to be reported in the
3 annual statement. Proprietary information does not include information
4 regarding financial arrangements or payments with patients"

5 On page 1, line 15, after "commissioner." insert "The commissioner
6 must ensure that neither the required format nor the requested
7 information violates patient privacy rights."

EFFECT: Clarifies that the Commissioner may not ask for
proprietary information from direct practices, and that requested
information must not violate patient privacy rights.
