Background:

By law, the Department of Health (DOH) must charge fees to professionals licensed by the DOH. The fees must be based on the cost to the agency for the licensure of the activity or class of activities.

Summary of Bill:

The midwife license fee is increased by up to \$25 for online access to the University of Washington Health Sciences Library.

Appropriation: None.

Effective Date: The bill takes effect 90 days after adjournment of the session in which the bill is passed.

Staff Summary of Public Testimony:

(In support) When the list of professionals who would have access to the University of Washington Health Sciences Library was put together, the midwives were overlooked. Midwives feel that the fee increase is a small price to pay for access to the most up-to-date practice information and for providing evidence-based care for patients.

(Opposed) None.

Persons Testifying: Representative Green, prime sponsor; and Amber Alvenes and Audrey Levine, Midwives Association of Washington State.
