Any governmental or private entity or person may initiate the process. In order for the Commission to consider a naming or renaming proposal, the requesting entity or person must provide evidence indicating community support and acceptance of the proposal.

Summary of Bill: The bill as referred to committee not considered.

Summary of Bill (Recommended Substitute): Language is added to clarify that state ferries are part of the facilities the Commission may name. Language is also added to clarify that letters of support from and resolutions passed by federally recognized tribal governments are evidence indicating community support and acceptance of the proposal.
