Background: Under current law, employees, provisional employees, and certificated employees for whom it has been determined that there is probable cause or causes that the employment contract should not be renewed by the district for the next ensuing term must be notified in writing on or before May 15 preceding the commencement of such term of that determination; or if the Omnibus Appropriations Act has not passed the Legislature by May 15, then notification must be no later than June 1. registered mail, or by leaving a copy of the notice at the place of usual abode with some person of suitable age and discretion who resides therein.

Summary of Bill: Notice of nonrenewal or transfer must be provided to employees or administrators by June 15 if the Omnibus Appropriations Act has not passed the Legislature by May 15.

Appropriation: None.

Fiscal Note: Not requested.

Committee/Commission/Task Force Created: No.

Effective Date: The bill contains an emergency clause and takes effect immediately.

Staff Summary of Public Testimony: PRO: There is a great amount of work that goes into giving layoff notices to teachers. There are times when the school districts sit down with a group of employees and give them layoff notices only to find out that they were unnecessary because the Legislature acted late. These notices are traumatic for all parties involved. By making the simple change to May15, the effect on the teachers and the school district will be minimized.

Persons Testifying: PRO: Senator Brandland, prime sponsor; Dan Steele, Washington State School Directors' Association; Mitch Denning, Alliance of Education Association.
