Background: Since 1983 state law requires that all statutes be written in gender-neutral terms, unless a specification of gender is intended. In 2007 the Legislature passed ESB 5063, an act relating to removing gender references. The act changed gender-specific terms to gender-neutral terms in several chapters of the Revised Code of Washington (RCW), including those chapters dealing with firefighters, police officers, bondspersons, and material suppliers. ESB 5063 also directed the Code Reviser, in consultation with the Statute Law Committee, to develop and implement a plan to correct gender-specific references in the entire RCW.

The Code Reviser must make annual legislative recommendations to make the RCW completely gender-neutral by June 30, 2015. The first such bill was passed by the Legislature during the 2009 Legislative Session.

Summary of Bill (Recommended Substitute): Gender-specific terms and references are made gender-neutral in several titles of the RCW. Titles relating to criminal procedure, probate and trust, district and juvenile courts, aeronautics, agriculture, state government, motor vehicles, public highways and transportation, insurance, labor, unemployment

Staff Summary of Public Testimony on Original Bill: PRO: This project may be completed before the 2015 deadline. This bill is similar to the bill passed by the Legislature last year. In producing this bill, outside agencies and interested parties were consulted. References to warehousemen/warehouse worker can be pulled from the bill this year and addressed during the 2010 interim.
