The life settlements act provides for a licensing fee of \$250 to accompany the application for a provider license and an annual renewal fee of the same amount. This fee is deposited into the commissioner's regulatory account.

Licenses of discount plan organizations under the health care discount plan organization act are of one year's duration.

**Summary of Bill (Recommended Substitute):** The annual statement of charitable gift annuity businesses is renamed a report of current financial condition. It must be made on a form and in a manner prescribed by the commissioner. It must be filed within 60 days of the end of its fiscal year. The actuarial report must be attached and cover the fiscal year covered by the report.

The annual filing fee for charitable gift annuity businesses is due on March 1 of each year. It includes the year ending on or before December 31 of the previous calendar year.

The \$250 fee established by the life settlements act is deposited into the general fund.

It is clarified that the one-year licenses of discount plan organizations under health care discount plan organization act that are issued or renewed by July 1, 2010, are to be renewed annually on July 1. If not renewed, expiration is on the renewal date.

**Appropriation:** None.

**Fiscal Note:** Not requested.

**Committee/Commission/Task Force Created:** No.

**Effective Date:** Ninety days after adjournment of session in which bill is passed.

**Staff Summary of Public Testimony on Original Bill:** PRO: This bill contains largely technical changes. The bill ensures that both plans F of Medicare supplemental insurance are available to Washington residents. The charitable gift annuities portion should reduce overhead costs for companies by matching up their fiscal year and reporting requirements. The provisions on service of process will be pursued, instead, next year because of unexpected issues that arose recently.

**Persons Testifying:** PRO: Drew Bouton, Office of Insurance Commissioner.
