Background: The Legislature created the Innovation Partnership Zones (IPZ) program in 2007 to stimulate the growth of industry clusters and to build regional economies. IPZs bring together research, workforce training and globally-competitive companies in close geographic proximity for a cooperative, research-based effort that will lead to new commercially viable products and jobs. The Department of Commerce (Department) is to

convene an annual information sharing event for IPZ administrators and other interested parties.

Summary of Second Substitute Bill: In developing industry cluster-based strategies, the Department is to promote industry cluster involvement in IPZs and in the application process for designation of IPZs. The competitive cluster grant program is changed. It is to integrate sector-based and cluster-based strategies with the development of IPZs.

Appropriation: None.

Fiscal Note: Requested on January 29, 2010.

Committee/Commission/Task Force Created: No.

Effective Date: Ninety days after adjournment of session in which bill is passed.

Staff Summary of Public Testimony on Original Bill (Economic Development, Trade & Innovation): CON: The section dealing with regional grants would cause counties and regions to compete with each other. The current system works well. ADO funding is through private-public partnerships. ADOs are jobs focused, and focus on solutions.

OTHER: Language regarding coordination of workforce and economic development planning efforts is better in the current code.

Persons Testifying (Economic Development, Trade & Innovation): CON: Matt Matayoshi, Mason County EDC.

OTHER: Bryan Wilson, Workforce Development Board.

Staff Summary of Public Testimony (Ways & Means): None.

Persons Testifying (Ways & Means): No one.
