
SUBSTITUTE HOUSE BILL 1864

State of Washington 61st Legislature 2009 Regular Session

By House State Government & Tribal Affairs (originally sponsored by Representatives Newhouse, Hunt, and Armstrong)

READ FIRST TIME 02/23/09.

1 AN ACT Relating to supplemental income requirements for air
2 pollution control authorities; and amending RCW 70.94.093.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 **Sec. 1.** RCW 70.94.093 and 1969 ex.s. c 168 s 9 are each amended to
5 read as follows:

6 (1) Except as provided in subsection (4) of this section, each
7 component city or town shall pay such proportion of the supplemental
8 income to the authority as determined by either one of the following
9 prescribed methods or by a combination of fifty percent of one and
10 fifty percent of the other as provided in subsection (1)(c) of this
11 section:

12 (a) Each component city or town shall pay such proportion of the
13 supplemental income as the assessed valuation of property within its
14 limits bears to the total assessed valuation of taxable property within
15 the activated authority.

16 (b) Each component city or town shall pay such proportion of the
17 supplemental income as the total population of such city or town bears
18 to the total population of the activated authority. The population of

1 the city or town shall be determined by the most recent census,
2 estimate or survey by the federal bureau of census or any state board
3 or commission authorized to make such a census, estimate or survey.

4 (c) A combination of the methods prescribed in (a) and (b) of this
5 subsection: PROVIDED, That such combination shall be of fifty percent
6 of the method prescribed in (a) of this subsection and fifty percent of
7 the method prescribed in (b) of this subsection.

8 (2) Each component county shall pay such proportion of such
9 supplemental income to the authority as determined by either one of the
10 following prescribed methods or by a combination of fifty percent of
11 one and fifty percent of the other as prescribed in subsection (2)(c)
12 of this section:

13 (a) Each component county shall pay such proportion of such
14 supplemental income as the assessed valuation of the property within
15 the unincorporated area of such county lying within the activated
16 authority bears to the total assessed valuation of taxable property
17 within the activated authority.

18 (b) Each component county shall pay such proportion of the
19 supplemental income as the total population of the unincorporated area
20 of such county bears to the total population of the activated
21 authority. The population of the county shall be determined by the
22 most recent census, estimate or survey by the federal bureau of census
23 or any state board or commission authorized to make such a census,
24 estimate or survey.

25 (c) A combination of the methods prescribed in (a) and (b) of this
26 subsection: PROVIDED, That such combination shall be of fifty percent
27 of the method prescribed in (a) of this subsection and fifty percent of
28 the method prescribed in (b) of this subsection.

29 (3) In making such determination of the assessed valuation of
30 property in the component cities, towns and counties, the board shall
31 use the last available assessed valuations. The board shall certify to
32 each component city, town and county, prior to the fourth Monday in
33 June of each year, the share of the supplemental income to be paid by
34 such component city, town or county for the next calendar year. The
35 latter shall then include such amount in its budget for the ensuing
36 calendar year, and during such year shall pay to the activated
37 authority, in equal quarterly installments, the amount of its
38 supplemental share.

1 (4) Component cities and towns, with a population of one thousand
2 people or fewer, located wholly within a federally recognized Indian
3 reservation are exempt from the supplemental income requirements of
4 this section.
