
HOUSE BILL 2767

State of Washington

61st Legislature

2010 Regular Session

By Representatives Appleton, Goodman, and O'Brien

Read first time 01/13/10. Referred to Committee on Public Safety & Emergency Preparedness.

1 AN ACT Relating to membership of the Washington state forensic
2 investigations council; amending RCW 43.103.040; and creating a new
3 section.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The legislature finds that public confidence
6 in the accurate resolution of matters in the criminal justice system is
7 of the highest importance, and that it is in the best interests of
8 public safety and individual liberty. The legislature further finds
9 that such accurate resolution of criminal matters is greatly
10 facilitated by valid and reliable forensic evidence. The legislature
11 recognizes, however, that pressures on forensics laboratories around
12 the country may compromise the reliability and validity of work done by
13 even the most competent and ethical forensic practitioners. The
14 legislature further recognizes that it is generally in the interest of
15 law enforcement, prosecutors, defense attorneys, the forensic and
16 general scientific communities, and the citizens of the state of
17 Washington that forensic evidence relied upon within the justice system
18 be scientifically valid and reliable, and that the public has
19 confidence in such validity and reliability.

1 The intent of this act is to facilitate the mission of Washington's
2 forensic laboratories to produce valid and reliable scientific evidence
3 by ensuring appropriate input and guidance from each of the interested
4 groups. Therefore, the legislature intends to add a criminal defense
5 attorney and a scientist from an established university in the state of
6 Washington to the forensic investigations council to increase the
7 council's ability to carry out its statutory duties and increase public
8 confidence in its work.

9 **Sec. 2.** RCW 43.103.040 and 1995 c 398 s 5 are each amended to read

9 a state university, regional university, state college, or a nonprofit
10 college or university that has maintained its primary location in the
11 state of Washington for a minimum of twenty-five consecutive years and
12 has an enrollment of at least five hundred students may each forward to
13 the governor a nomination of a full-time member of the faculty at the
14 university or college at which the president serves, for consideration
