
HOUSE BILL 2870

State of Washington 61st Legislature 2010 Regular Session

By Representative Bailey

Read first time 01/15/10. Referred to Committee on Environmental Health.

1 AN ACT Relating to maintenance inspections of on-site sewage
2 systems; and adding a new section to chapter 70.05 RCW.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** A new section is added to chapter 70.05 RCW
5 to read as follows:

6 If the state board of health or a local board of health requires an
7 on-site sewage system with design flows of less than three thousand
8 five hundred gallons per day to be periodically inspected for
9 maintenance and operation purposes, the local board of health must
10 provide the option for the property owner, or the property owner's
11 designee, to perform the inspection. The local board of health shall
12 adopt policies to determine the qualifications required for the
13 property owner, or designee, to perform an inspection. The property
14 owner, or designee, must be certified as a qualified inspector by the
15 local board of health before he or she is authorized to perform the
16 inspection.
