1            AN ACT Relating to revising student achievement fund allocations;  
2 amending RCW 28A.505.220; providing an effective date; and declaring an  
3 emergency.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5            **Sec. 1.** RCW 28A.505.220 and 2009 c 4 s 901 are each amended to  
6 read as follows:

7            (1) Total distributions from the student achievement fund to each  
8 school district shall be based upon the average number of full-time  
9 equivalent students in the school district during the previous school  
10 year as reported to the office of the superintendent of public  
11 instruction by August 31st of the previous school year. The  
12 superintendent of public instruction shall ensure that moneys generated  
13 by skill center students are returned to skill centers.

14            (2) The allocation rate per full-time equivalent student shall be  
15 three hundred dollars in the 2005-06 school year, three hundred  
16 seventy-five dollars in the 2006-07 school year, and four hundred fifty  
17 dollars in the 2007-08 school year. For each subsequent school year,  
18 the amount allocated per full-time equivalent student shall be adjusted  
19 for inflation (~~(as defined in RCW 43.135.025(8))~~) by the implicit price

1 deflator as published by the federal bureau of labor statistics.  
2 However, for the 2009-10 and 2010-11 school years, the amount allocated  
3 per full-time equivalent student shall be as specified in the omnibus  
4 appropriations act. For the 2011-12 school year and thereafter,  
5 amounts allocated shall be further adjusted so that the allocations are  
6 equal to what they would have been if allocations had not been reduced  
7 for the 2009-10 and 2010-11 school years. These allocations per full-  
8 time equivalent student from the student achievement fund shall be  
9 supported from the following sources:

10 (a) Distributions from state property tax proceeds deposited into  
11 the student achievement fund under RCW 84.52.068; and

12 (b) Distributions from the education legacy trust account created  
13 in RCW 83.100.230.

14 (3) Any funds deposited in the student achievement fund under RCW  
15 43.135.045 shall be allocated to school districts on a one-time basis  
16 using a rate per full-time equivalent student. These funds are  
17 provided in addition to any amounts allocated in subsection (2) of this  
18 section.

19 (4) The school district annual amounts as defined in subsection (2)  
20 of this section shall be distributed on the monthly apportionment  
21 schedule as defined in RCW 28A.510.250.

22 (5) However, during the 2008-09 school year, the school district  
23 annual amounts as defined in this section shall be distributed as  
24 follows:
