1 AN ACT Relating to encouraging efficient use of water by
2 eliminating the partial relinquishment of water rights; amending RCW
3 90.14.130, 90.14.160, 90.14.170, and 90.14.180; and creating a new
4 section.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** The legislature finds that the efficient use
7 of water is beneficial to the environment and helps ease pressure for
8 a scarce resource. Therefore, the legislature declares that
9 eliminating disincentives to the efficient use of water is critical to
10 the future of Washington to deal with issues such as the potential
11 impacts of climate change and to help make currently allocated water
12 supplies go further.

13 **Sec. 2.** RCW 90.14.130 and 1987 c 109 s 13 are each amended to read
14 as follows:

15 When it appears to the department of ecology that a person entitled
16 to the use of water has not beneficially used his or her water right
17 (~~(or some portion thereof,)~~) and it appears that said right has or may
18 have reverted to the state because of such nonuse, as provided by RCW

1 90.14.160, 90.14.170, or 90.14.180, the department of ecology shall
2 notify such person by order: PROVIDED, That where a company,
3 association, district, or the United States has filed a blanket claim
4 under the provisions of RCW 90.14.060 for the total benefits of those
5 served by it, the notice shall be served on such company, association,
6 district or the United States and not upon any of its individual water
7 users who may not have used the water (~~(or some portion thereof)~~) which
8 they were entitled to use. The order shall contain: (1) A description
9 of the water right, including the approximate location of the point of
10 diversion, the general description of the lands or places where such
11 waters were used, the water source, the amount involved, the purpose of
12 use, and the apparent authority upon which the right is based; (2) a
13 statement that unless sufficient cause be shown on appeal the water
14 right will be declared relinquished; and (3) a statement that such
15 order may be appealed to the pollution control hearings board. Any
16 person aggrieved by such an order may appeal it to the pollution
17 control hearings board pursuant to RCW 43.21B.310. The order shall be
18 served by registered or certified mail to the last known address of the
19 person and be posted at the point of division or withdrawal. The order
20 by itself shall not alter the recipient's right to use water, if any.

21 **Sec. 3.** RCW 90.14.160 and 1981 c 291 s 1 are each amended to read
22 as follows:

24 through any appropriation authorized by enactments of the legislature

32 appropriation in accordance with RCW 90.03.250.

33 (2) For purposes of this section, a person shall not be deemed to
