
SENATE BILL 6628

State of Washington

61st Legislature

2010 Regular Session

By Senator Carrell

Read first time 01/19/10. Referred to Committee on Human Services & Corrections.

1 AN ACT Relating to expenditures for works of art; amending RCW
2 43.17.200; and creating a new section.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** The legislature recognizes one of its
5 foremost duties is the prioritization and wise use of taxpayer funds.
6 The legislature concludes that the placement of art at a correctional
7 facility is not a priority over other state programs such as education
8 and public safety, and further expenditures on such activities
9 constitute a misuse and waste of taxpayer funds. To prevent such
10 misuse of taxpayer dollars, the legislature hereby intends to prohibit
11 the expenditure of public funds on placement of works of art in the
12 special commitment center on McNeil Island, secure community transition
13 facilities and other halfway houses operated by the department of
14 social and health services to house persons subject to the community
15 protection act of 1990, and facilities operated by the department of
16 corrections.

17 **Sec. 2.** RCW 43.17.200 and 2005 c 36 s 4 are each amended to read
18 as follows:

1 All state agencies including all state departments, boards,
2 councils, commissions, and quasi public corporations shall allocate, as
3 a nondeductible item, out of any moneys appropriated for the original
4 construction of any public building, an amount of one-half of one
5 percent of the appropriation to be expended by the Washington state
6 arts commission for the acquisition of works of art; however, no moneys
7 shall be expended on, nor allocated for, the acquisition or placement
8 of works of art in the special commitment center on McNeil Island,
9 secure community transition facilities and other halfway houses
10 operated by the department of social and health services to house
11 persons subject to the community protection act of 1990, or any
12 facility operated by the department of corrections. The works of art
13 may be placed on public lands, integral to or attached to a public
14 building or structure, detached within or outside a public building or
15 structure, part of a portable exhibition or collection, part of a
16 temporary exhibition, or loaned or exhibited in other public
17 facilities. In addition to the cost of the works of art, the one-half
18 of one percent of the appropriation as provided herein shall be used to
19 provide for the administration of the visual arts program, including
20 conservation of the state art collection, by the Washington state arts
21 commission and all costs for installation of the works of art. For the
22 purpose of this section building shall not include highway construction
23 sheds, warehouses or other buildings of a temporary nature.
