

**HB 1007-S2.E - DIGEST**

(DIGEST AS ENACTED)

Requires the housing finance commission, if economically feasible, to develop and implement a sustainable energy trust program to provide financing for qualified improvement projects. In developing the sustainable energy trust program, the commission shall establish eligibility criteria for financing that will enable it to choose eligible applicants who are likely to repay loans made or acquired by the commission and funded from the proceeds of commission bonds.

Prohibits general fund resources from being expended to implement the program.
