

HB 2287-S - DIGEST

(DIGEST AS ENACTED)

Requires all state agencies to: (1) Develop and implement a paper conservation program and a paper recycling program to encourage recycling of all paper products with the goal of recycling one hundred percent of all copy and printing paper in all buildings with twenty-five employees or more; and

(2) Purchase one hundred percent recycled content white cut sheet bond paper used in office printers and copiers.

Requires the public printer to use one hundred percent recycled copy and printing paper for all jobs printed on white copy and printing paper.

Requires the state printer, the department of general administration, and the department of information services to work together to identify for use by agencies one hundred percent recycled paper products that process efficiently through high-speed production equipment and do not impede the business of agencies.
