

HB 2885 - DIGEST

Provides flexibility for school districts by modifying provisions related to: (1) Highly capable students;

(2) Policies for nutritious foods and exercise and student health concerns;

(3) Authority of school boards;

(4) Essential academic learning requirements and assessments;

(5) Safe school plans and threats of violence;

(6) Rates and charges from services provided by storm water control facilities; and

(7) Traffic safety education courses.
