Smith, Walsh, Parker, Jacks, Blake, Rodne, and Williams;
by request of Attorney General

Ensuring punishment for domestic violence offenders.

Recognizes: (1) The substantial and great impact upon society, families, children, and the victims of offenses occurring between cohabitants;

(2) The continuing nature of domestic violence; and

(3) The lasting psychological trauma caused by such violence.

Finds that the prevention of domestic violence, and the proper punishment for such offenses, is a compelling state interest that has not been under current sentencing provisions. Toward this end, the act is necessary to ensure that domestic violence offenders are punished accordingly and that an end to domestic violence can be achieved.

SB 6204 by Senators Sheldon and King

Privatizing the sale of liquor.

Declares an intent to privatize the retail and distribution of liquor to result in a system that is more efficient than public sector retail and distribution.

Finds that: (1) The present system of state control includes a markup amount at distribution that generates revenue for the state and local governments; and

(2) This markup will be eliminated when liquor sales and distribution are privatized.

Declares an intent that the privatization of liquor sales and distribution not result in revenue losses to state or local governments as compared to projected revenues assumed under state control, not including any separate licenses or franchises.

Directs the liquor control board and the department of revenue, with assistance from legislative staff and the office of financial management, to present a report to the legislature no later than December 1, 2010, on a recommended method and rates of liquor taxation that would generate the same future projected revenue for the state and local jurisdictions as under the current state control system.
